R. Haweis, 2017-02-25 Chaucer for Children A Golden Key The narrative in early English poetry is almost always very simply and clearly expressed with the same kind of repetition of facts and names which as every mother knows is what children most require in story telling The emphasis which the final E gives to many words is another thing which helps to impress the sentences on the memory the sense being often shorter than the sound It seems but natural that every English child should know something of one who left so deep an impression on his age and on the English tongue that he has been called by Occleve the finder of our fair language For in his day there was actually no national language no national literature English consisting of so many dialects each having its own literature intelligible to comparatively few and the Court and educated classes still adhering greatly to Norman French for both speaking and writing Chaucer who wrote for the people chose the best form of English which was that spoken at Court at a time when English was regaining supremacy over French and the form he adopted laid the foundation of our present National Tongue *Commentaries and Annotations on the Holy Scriptures* John Hewlett, 1816 *British Musical Modernism* Philip Rupprecht, 2015-07-09 British Musical Modernism explores the works of eleven key composers to reveal the rapid shifts of expression and technique that transformed British art music in the post war period Responding to radical avant garde developments in post war Europe the Manchester Group composers Alexander Goehr Peter Maxwell Davies and Harrison Birtwistle and their contemporaries assimilated the serial structuralist preoccupations of mid century internationalism to an art grounded in resurgent local traditions In close readings of some thirty five scores Philip Rupprecht traces a modernism suffused with the formal elegance of the 1950s the exuberant theatricality of the 1960s and in the works of David Bedford and Tim Souster the pop minimalist
