Warring Genealogies Joo Ok Kim,2022-06-24 Warring Genealogies examines the racial legacies of the Korean War through Chicano a cultural production and U S archives of white supremacy *An Army of Stories* Roger Mason,2015-06-23 Private First Class R was an excellent soldier so it was unlike him to be late When he came in a few minutes later I could see

by the grim look on his face that something was terribly wrong He immediately began to cry and tell me that his wife had miscarried the child they had so badly wanted I had never seen anyone cry as much as he did that morning and one box of tissues simply was not enough After a while the front of his uniform was soaked from his many tears and I felt horrible seeing him suffer It was one of those times when I would have moved Heaven and Earth if I could have but I could not It humbled me because I wanted to order someone to do something to fix the problem but this time it would not be that simple I had always taken pride in looking out for the welfare of the soldiers in my charge but this time was different I knew I was not a miracle worker but I felt I had let him down because as much as I wanted to I did not have the power to bring back his baby It was the worst day of my Army career because a good soldier who looked up to me for wisdom and guidance was in peril and there was nothing I could do I felt like a weakened Superman hopelessly dragging his feet through a field of Kryptonite because there I was with all my rank and power that the Army had entrusted in me but I was useless to him Land of the Morning Calm Harry Bryce,2007-11 Instability danger and intrigue follow a U S Army lieutenant and his wife in 1968 Korea as they try to safeguard their relationship and their lives **Chasing SAM** Colonel Roy M. Stanley II,2016-08-30 This book is autobiographical about my tour as Night Shift chief Air Defense Analysis 2nd Air Division Seventh Air Force Saigon Republic of Vietnam from August 1965 to August 1966 With several Special Security Clearances I was privy to events many others in the HQ weren't The first US aircraft lost to a surface to air missile SAM was literally days before I arrived so I was in on the ground floor of identifying SA 2 locations and capabilities plus evolving tactics for our pilots to beat missiles in the air I'll tell you about that and also explain enemy defense weapons and capabilities as well as our Intelligence collection and analysis systems I was the morning Air Defense briefer so I saw the generals up close and personal every day and heard their reactions to events like lost aircraft which I also briefed resulting in many interesting anecdotes As far as I know there is no other book that looks at the Out Country War from the vantage point of a headquarters puke a fly on the wall close to the top

First In, Last Out John D Howard,2023-06-14 A Vietnam veteran recounts his experience through two tours of duty early in the conflict and then in its final stages Fresh out of West Point John Howard arrived for his first tour in Vietnam in 1965 the first full year of escalation when U S troop levels increased dramatically from 23 000 to 184 000 When Howard returned for a second tour in 1972 troop strength stood at 24 000 and would dwindle to a mere fifty the following year He thus participated in the very early and very late stages of American military involvement in the Vietnam War Howard's two tours the first as a platoon commander and member of an elite counter guerrilla force and the second as a senior advisor to the South Vietnamese provide a fascinating lens through which to view not only one soldier's experience in Vietnam but also the country's **Freckles** Ron Weber,2021-04-28 In this hilarious tale Ron Weber shares the life of an overcurious little red haired freckle faced boy who always kept everyone around him on their toes In this humorous story Freckles will keep you laughing and wondering what mischief he will be getting into next However as he reaches adolescence his pranks begin

getting him into trouble As the youngest of four children Freckles was hardly noticed unless he was getting into mischief When his father was forced out of the home because of alcoholism and violence everything changed The live in nanny was gone and there was no income Food was short and Mom had to start working Without much supervision after school little Ronnie began hanging around a rough crowd Soon he started getting into more serious difficulty Freckles was headed for serious trouble Could his good Irish humor and Catholic upbringing help him turn his life around or would he end up in prison On a bleak winter day in 1967 young Ron Weber was no longer little Freckles He was eighteen years old and in big trouble Standing in the courtroom with his attorney at his side Ron waited for the sentence to be passed As the judge raised his head and looked straight at him Ron s heart seemed to stop Was he going to be locked up Was his life over Or did the judge have something else in mind Find out which path Freckles chose and what happened afterwards **SURF, SEX, and PSYCHEDELICS** Alan Brown,2013-12 In early 1966 Alex finds himself out of school and a prime candidate to be drafted Like many people his age he is in the process of finding out who he is and what he wants from life Disillusioned by conventional social mores he adopts a fatalistic attitude and towards the draft as well as towards the accepted definitions of success and what constitutes a life well lived He goes surfing His journey takes him first to Mexico the Army Korea and back to California where the doors of perception continue to open Once out of the Army he sets out to hitchhike across the country in the middle of winter only to change his mind and head to Hawaii *Surviving Combat Memories* Russ Warriner,2022-11-30 After serving a 1 year tour in Vietnam with the 1st Cavalry Division and surviving a total of 8 years 9 months and 21 Days in the US Army Russ Warriner learned he had PTSD Dealing with the Combat Memories he calls Combat Demons is a lifelong struggle Writing about my combat life and the aftermath has become one of his outlets Becoming a life member of many veteran groups as well as starting a group that served in my type of unit and starting a POW MIA weekend event has served me well to deal with the demons Everyone who has PTSD deals with these demons in their own way If this book can help at least one person to understand PTSD or help them deal with their demons I feel it was worth the effort I put into writing it

A Young Soldier's Memoirs: My One Year Growing Up in 1965 Korea Julio A. Martinez,2010-11-18 The pages of this book vividly conjure up the sights and smells and sounds of Martinez s adventures in Korea He enthusiastically spent every free moment traveling everywhere taking hundreds of photographs teaching himself to speak read and write the language Nothing escaped his youthful eyes from ancient temples to rice planting and harvesting to little known facets of the country s rich 5 000 year old culture His exuberance with each of his discoveries is faithfully recorded as are the familiar things we all felt homesickness and fear camaraderie and purpose If you want to see the Korea of forty five years ago through the bright eyes of a nineteen year old soldier from Texas with a truly remarkable memory for every detail this is the best way to do it William Roskey Author of MUFFLED SHOTS A Year on the DMZ **Air Force Cop: An Autobiography** Kelly D. Battle for the Central Highlands George Dooley,2007-12-18 THE CENTRAL HIGHLANDS WHERE DANGER REIGNED SUPREME AND DEATH WAS A CONSTANT COMPANION The fighting was fierce in the Central Highlands where Green Beret George Dooley served with elite Special Forces A teams training the rugged Montagnards in guerrilla warfare and accompanying them on patrols The Viet Cong and NVA were entrenched in the sparsely populated Highlands where towering mountains gave them the ruthless upper hand The missions Dooley led often in enemy territory provided a steady diet of sniping ambushes booby traps and mines As the war escalated Dooley commanded his own A team and the battles against the large numbers of crack NVA troops became even more desperate and deadly By then military command routinely assigned anything but routine missions to Special Forces and expected them to meet their objectives **BATTLE FOR THE CENTRAL HIGHLANDS** details the unbelievable valor of these legendary American warriors

Korean Odyssey Dale A Dye,2021-12-15 Captain Sad Sam Gerdine is marking time at Camp Pendleton in the summer of 1950 He s finally been given command of the rifle company he worked for with such focus that he lost both his wife and the child he loves It s not much of a command in the diminished post World War II Marine Corps but he s doing his best with an outfit that includes rascals rejects and fortunately a solid cadre of anxious young officers and savvy combat hardened senior NCOs And then in the words of Elmore Bates his competent and colorfully profane Company Gunnery Sergeant the defecation strikes the oscillation War in Korea and the Marines will be the allied fire brigade against a North Korean juggernaut rolling across the Land of the Morning Calm In

short order mostly by ignoring rules and regulations Captain Gerdine proceeds to make Able Company 5th Marines a combat ready outfit prepared to face the rigors of war in Korea From the Pusan Perimeter to the audacious landing at Inchon and on into the frigid intense combat at the Chosin Reservoir Sad Sam s Marines mold and meld into a shining example of how U S Marines get the job done despite formidable odds **Buddha's Money** Martin Limon,2005-05-01 This grisly terrifying thriller follows CID Agents George Sue o and Ernie Bascom across the Korean Peninsula in their search for a lost artifact South Korea 1970s Retired Army officer Herman Burkowicz has quite a lucrative setup smuggling rare Korean artifacts But then his nine year old foster daughter Mi ja is abducted and her kidnappers demand a ransom Burkowicz doesn t have a priceless jade skull from the age of Genghis Khan Sue o and Bascom more accustomed to chasing felons and black marketeers in the back alleys of Itaewon than ancient treasures go in over their heads as they agree to search for the skull a journey that will lead them to a crime that threatens the fragile peace between South Korea and the US Army units living on its Korean soil *A Year In The Sun* Brian D. Pardo,2013-09 Perhaps no endeavor brings out the entire range of intense human emotions more than young love and war Since both deal with the survival and the success of the human race it is apparent why this is so A young soldier experiencing his first true great love love at first sight tries desperately to save the one relationship that means more to him than anything in the world in the far off country of South Korea At the same time his skills as a soldier and his deep love of his country make him the ideal candidate to prevent a catastrophe However he neither fully understands nor completely realizes the severity of its consequences He rapidly meets the senior operatives who test him and place on his shoulders a great responsibility that only his unique intellect and skill can prevent a disaster The outcome is uncertain but the stakes are great Many years ago I was a young soldier stationed in South Korea In my late teens at the time I quickly learned to appreciate the beauty of this ancient land and the villagers who live in the countryside Theirs was a way of life that has changed little over the centuries They grew many years ago to accept the circumstances of the times with stoicism and resolve to endure that which they cannot change Happy people quick to smile and easy to befriend made me want to help them A village girl taught me a lot about life and ultimately how to deal with tragedy Since North Koreans are the same people who endure a terrible repressive regime separated from growth and prosperity by fanatical leaders who would rather see the few elite live well while the masses suffer and starve on their own farms I felt compelled to write this fictional story that as the song goes may be partly truth and partly fiction **Saigon** John J.
