Something Wonderful Easter Paperback:

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. *A Thematic Access Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic e.g. Christian, Jewish, Muslim, etc., agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

The Lion Storyteller Easter Book Bob Hartman, 2011-10-19 Following the tried and tested formula of his earlier *Lion Storyteller* titles, Bob Hartman retells a selection of Easter stories in his own inimitable style. This collection of 23 stories includes all the Bible accounts of the events of the first Easter, from Palm Sunday through to Jesus' resurrection encounters with his friends and followers. Bob Hartman's retellings of familiar and sometimes serious tales are fresh and engaging, making these Bible stories accessible to the young and not so young.

Classroom edition includes cut-out figures and scenes. *The Publishers' Trade List Annual*, 1995 *A Dead Man's Tale* James D. Doss, 2010-11-09 Charlie Moon, Ute rancher and investigator, isn't afraid to throw the dice even when a man's life is at stake, but when that man is betting against himself and Moon's ability to save him, that makes for some awfully high stakes. Hard times have come to Colorado and Moon's ranch is feeling the pinch. Investor Samuel Reed has never had that problem. He seems to have a special intuition when it

comes to picking stocks and claims to be able to remember the future which gives him quite a leg up on Wall Street So it s no surprise that Reed is confident when he makes a wager with Moon s best friend Granite City Chief of Police Scott Parish that Parish can t keep him alive Even when Reed doesn t give them any details beyond the date and time of his impending demise that s more than enough information for Moon who wants in on the action and is just as confident that he s well on the way to saving his ranch But Moon s best plans go awry when instead of one homicide on his hands he ends up with two James D Doss infuses the pages of *A Dead Man s Tale* the fifteenth in his popular series with his potent brand of high spirits and homespun humor that has made him a favorite among mystery readers A to Zoo Carolyn W.
