Supernatural The Occult And The Bible:

Supernatural, the Occult, and the Bible Gerald A. Larue, 1990-11 Several New Age magazines have devoted stories to a burgeoning Cult of the Goddess But this cult isn't a result of the women's movement or the product of environmental consciousness nor is it really new In fact the Catholic Church has been making use of a similar cult for two thousand years In this book Gerald A Larue examines the scriptural underpinnings of occult and supernaturalistic notions that survive in contemporary society The *Supernatural the Occult and the Bible* is based on the author's thorough knowledge of the history of ancient Near Eastern cultures and their mythology Larue argues that biblical supernaturalism and modern occultism are two sides of the same coin and illustrates in fascinating detail how they engender and support each other He suggests that contemporary religions cannot shirk responsibility for some of the more foolish excesses of occult practice Larue points out that present day churchgoers are not as a matter of course made aware of archaeological findings that shed light on scriptural teachings research into biblical and related languages literary analyses of biblical texts and studies of the relationship between concepts found in the Bible and aspects of contemporary occult beliefs and practices and explains why this is so The breadth of Larue's research and depth of insight and his common sense approach make this book both engrossing and important

The Paranormal Phenomena Michael Hur, 2016-02-20 As Bible believing Christians a question should be asked Does the Bible confirm the existence of paranormal realities as they pertain to UFOs ghosts ancient outer space travel teleportation time travel shadow governments and more The answer to that question is yes it does However what are the Bible's teachings regarding these subjects Are they the same as what mainstream media and new age teachers are telling us or could it be that the Bible gives a different and largely untold explanation to what they are In this book called *The Paranormal Phenomena* you will read and discover various Bible passages from the King James Authorized English Bible itself as it reveals many realities of the supernatural and the paranormal events of this world

Furthermore statistical facts are added to strengthen the persuasive power of the points made The wealth of information contained in this book will help busy pastors and Christians find the necessary information quickly Rev Dr Peter Au principal Canadian Chinese School of Theology at Tyndale Seminary Toronto **Looking for a Miracle** Joe Nickell,1993 No Marketing Blurb **Liberating the Bruised** Dr. Joe Allbright,2011-04-11 As one reads Liberating the Bruised one sees that it clearly explains spiritual warfare by way of God s Word and it offers God s solutions for minor to major spiritual and emotional problems Of course if minor problems are not dealt with they can become major ones This book well serves as 1 a text book for those desiring to learn biblical truths about wounded fragmented personalities and the demonic spiritual warfare 2 a self help counseling book and 3 an instruction book for those desiring to learn how to help hurting people find freedom peace and joy Without doubt precious souls who are desperate to be free can find freedom from their spiritual bondage For victory can most surely come through the Lord Jesus as people trust and obey Him concerning His biblical teachings The biblical truths in the book are a great help for any individual battling emotional spiritual and behavioral issues This includes couples with serious marital problems A loving marriage comes 1 when husband and wife each humble himself herself to deal with and confess his her own sin issues 2 reclaim all legal ground that Satan manipulates and claims by way of sinful behavior and any generational iniquities passed down and 3 through their legal authority in Jesus Christ each can reclaim ground from the enemy and receive freedom peace and joy Then each can walk with the Lord victoriously and respect and love others the way Christ loves unconditionally **The Paranormal World: the Biblical Response to the Supernatural** Marcel Brown,2012-03-09 The majority of Christians even those who are intelligent and well meaning reject the supernatural phenomenon as being for crazy folks They believe and openly state that people who believe in things of the sort are foolish hallucinogenic out of touch with reality or simply insane This is a tragic mistake that causes Christians to be frowned upon increasingly by the modern world Why And what is the proper Christian response to the paranormal side of our existence Another question for pastors and church attendees to consider is this are you really prepared to deal with a member of your church who you know to be honest and sober coming to you reporting that she has seen dead people Or that her house is haunted Or that she has been abducted by UFOs Or that a psychic approached her and informed her of events that no one else could have possibly known These are a few of the many questions that will be answered within the pages of The Paranormal World The Christian Response to the Supernatural I am including my own encounters with the mystical side of life advice on how to counsel those who are struggling with connections to the occult the many dangers that exist in our culture that can serve as entries for demonic attack spiritual warfare tips as well as a study on the origin of Satan and his demons We will also take an in depth look at the Biblical standpoint on ghosts UFOs and necromancy Some of the answers contained within the Holy Bible may surprise you **Demon Possession and Allied Themes** John Livingston Nevius,1894 **Nostradamus, Branham and the Little Book** Patricia Ann Sunday,2012-11 For 457 years the Prophet Nostradamus
