Biblica: Vol.63 , The Theme of Temple Christology in John's Gospel Stephen Um,2006-08-31 This study not only carefully investigates the Jewish tradition of water and Spirit as the normative background of John 4 but also develops temple Christology by connecting these distinct traditions of water and the Spirit as eschatological life for John's use of Spirit as the source of new creational life The aim of this thesis is to answer the following three crucial questions in order to sustain the development of the temple Christological theme in John 4 1 What does the image of water represent 2 What does it mean to worship in Spirit and truth and 3 How do the disparate parts water scene 4 6 15 and the Spirit scene 4 20 26 function as a whole New Testament Abstracts ,1982 Revue de Qumrân ,1982 **The Hymns of Qumran** Bonnie Pedrotti Kittel,1981 Biblical bibliography Paul-Emile Langevin,1972 *Jesus and the Angels* Peter R. Carrell,1997-07-10 This book first published in 1997 examines the influence of angelology on the christology of the Apocalypse of John In the Apocalypse Jesus appears in glorious form reminiscent of angels in Jewish and Christian literature in the period between 200 BCE and 200 CE Dr Carrell asks what significance this has for the christology of the Apocalypse He concludes that by portraying Jesus in such a way that he has the form and function of an angel and yet is also divine the Apocalypse both upholds monotheism and at the same time provides a means for Jesus to be presented in visible glorious form to his Church

Cavin, 2013-08-29 As the first comparative study of Colossians and 1 Peter the book fills a lacuna by exploring each author s understanding of the new existence and the means to righteous living If the epistles end up offering almost identical paraenesis why do they have such distinctive theological patterns of thought The conventional starting point in Colossian and 1 Peter studies centers on the recipients needs Much has been learned from these investigations and is kept in view However the extent to which each epistle s theology reflects an underlying pattern of ideas within each author s worldview is less well understood Setting the author s views in the context of the literature of early Judaism throws fresh light on his thought world and understanding of the new existence and moral enablement Evidence exists which indicates that streams of traditions in Early Judaism Literature factors other than the recipients needs contribute to the theology within each epistle and may account for distinctive aspects identified between Colossians and 1 Peter Exploration of 4QInstruction and the Hodayot texts discovered
