*Saving Karl Barth* D. Stephen Long, 2014-02-01 Challenging recent rejections of Hans Urs von Balthasar s groundbreaking study of Karl Barth s theology Stephen Long argues that these interpreters are myopically impatient with the nuances of Balthasar s reading of Barth and fail to appreciate the longstanding theological friendship that perdured Even more current readings threaten to reprimarize the embattled divide hallmarking Protestant Catholic relations prior to Vatican II Long contends against these contemporary trajectories in a substantial defense of Balthasar s theological preoccupation with Barth s thought This book offers one of the first full contextualizations of the friendship that developed between Balthasar and Barth which lasted from the 1930s until Balthasar s death in the 1980s Re evaluating Balthasar s theological work on Barth the present volume provides a critical new reading of not only Balthasar s original volume but a wider account of the systematic engagement Balthasar carried on throughout his career Within this a paradigm for fruitful generous ecumenical dialogue emerges
