*Change Is Everybody's Business* Patricia McLagan, 2002-06-23 Change Is Everybody's Business challenges readers to realize the power

they have to make things happen to support stymie or redirect change Pat McLagan draws on her thirty years of experience consulting on change projects worldwide to outline the beliefs character traits and actions that will enable anyone to welcome change and take advantage of it rather than fear and resist it Taking a conversational approach to a serious subject she uses stories examples and illustrations to drive home the message that everybody in an organization has the power to make changes for the better And she includes questionnaires throughout the book that enable readers to evaluate how ready they are to make the most of change Change is happening all around us both planned and unplanned How we react to change determines personal success and self esteem and ultimately the success of the entire organization Change Is Everybody s Business will show readers precisely what they need to know to become more conscious participants in determining their own destiny at work and in life

**Teachers' Voices** Freema Elbaz Luwisch, 2006-04-01 This book draws on ideas about the nature of teaching and teacher knowledge teacher development and school reform and narrative as methodology for understanding the lives and work of teachers These ideas have been elaborated over the past 20 years or so by many researchers who see storytelling as the interactive process which constitutes the site of the production of teachers knowledge Narrative research makes it possible to pay attention to the wider concerns that shape the work of teaching looking at the whole lives of teachers and other educational practitioners and exploring those lives as embedded in multiple contexts Listening to teachers speak about whatever most concerns them in their work it is not surprising that we hear a wide range of different voices not only from different teachers but within the speech of any one teacher The purpose of this book is to reflect back to the field a multidimensional multivoiced portrayal of teaching as it is bringing our attention to both the complexity and the possibility inherent in the work of teachers Approaching teaching in this way as multivoiced allows us to hear possibilities for change and development in the stories of teachers and classrooms
