believes Dylan holds the key to solving a mysterious fire that may be part of a cover up for murder. Tori would have rather worked with anyone other than the ruggedly sexy Dylan who had been the star of many of her teenaged fantasies but she needs help to get to the truth and to get justice for someone she loved. Sparks fly as Dylan and Tori put out one fire only to start another one, one that might consume them both. CAN'T LET IT GO. Wow. Griffin and Annie's story is full of mystery, lies, danger, fun, and lots of chemistry. Everything I love in a Callaway book. Lisa Talented graphic artist and animator Annie Callaway has been commissioned by a Hollywood studio to create the next superhero blockbuster movie but a bout of creative block has Annie searching the Southern California beach scene for inspiration. A local Irish bar in an old train depot run by the ruggedly attractive and somewhat mysterious Griffin Hale piques her interest and she finds herself weaving fantasies about not only Griffin but also the quirky characters who work there. The last thing Griffin Hale needs at his bar is a nosy artist looking for personal stories to turn into movie plots. He has carefully cultivated a scene of complete normalcy for people who need it more than Annie could possibly imagine and it's his job to protect them. But the beautiful redhead with the compelling green eyes is difficult to turn away. Annie's fantasy world where good always conquers evil is not the life that Griffin has lived and he can't help but think she'll never be satisfied with anyone less than a superhero. After a string of bad relationships, Annie willingly admits that most real men don't live up to her muscle-bound cape-wearing protectors of the world but when her stubborn curiosity propels her into a danger she never expected, she begins to realize that some heroes work in the dark and a man who fights for you is a man worth fighting for. While Griffin is determined to keep Annie alive, he's not at all convinced he can give her the happily ever after she's looking for. But then some stories take an unexpected turn. SECRETS WE KEEP. Another fabulous story, a mystery to solve, danger, and romance all wrapped together. If you're not already a fan of Barbara Freethy, this story is sure to make you one. Susan D. Goodreads. When firefighter Hunter Callaway makes a grisly discovery during a scorching fire at the house of his former high school sweetheart, everything he thought he knew about his past is now in question. The girl he'd loved, the one who'd broken his heart when she'd run away with another guy, might not have been who he thought she was. The last thing Cassidy Ellison ever wanted to do was revisit her past. But she's suddenly a suspect in a terrible crime and while she might be able to put off the police, there's no running away from Hunter Callaway, not again. The boy of her dreams is now a man, an impatient, angry, demanding man who wants answers, some of which she has vowed never to speak. Staying silent has kept her alive but now her secrets might not only take her life but also Hunter's. As determined as Hunter is to make her talk, someone else is just as determined to keep her quiet. The Callaway Family series offers romance, mystery, and family drama in each standalone novel, and the books include some of your favorite storylines: alpha heroes, firefighter romance, girl next door, love at first sight, enemies to lovers, opposites attract, grumpy sunshine, meet cute, insta-love, and second chance at love. Each book stands on its own. No cliffhangers. **ANCHORED:** **Closing Life-Challenge** Janice R Hunt, 2021-05-05 The fiction novel ANCHORED Closing Life Challenge launches an
