adventures You're traveling alone aren't you lonely She travels alone not lonely for various reasons including empowerment There is a Solo Travel Girl in every woman who travels and dreams of traveling This fun read will inspire other women to embrace the excitement and exhilaration of solo travel whether it is lunch on her own in the next town over or a trip across the globe A to Z of a Solo Travel Girls Traits of Women Who Travel Alone Not Lonely is dedicated to all the women in the world who think they cannot Because I know they can *MidLife Solo* Beth Kaplan, 2024-02-14 These essays moving engaging and deeply personal explore the themes of family responsibility growing up and growing older As the author a divorced single mother beginning a new life and career in her forties delves into the details of her own situation she illuminates universal truths about what matters most love fulfillment and the pain and necessity of huge change These pieces about a woman in midlife struggling to come into her own in a complicated world are rich in insight and written with warmth humour and clear eyed sometimes devastating honesty Over a ten year period more than fifty of my essays appeared in newspapers magazines and on CBC radio read by me These intensely personal stories were published or broadcast on air almost as soon as I'd written them For this former actor and lifelong diarist just beginning to emerge as a writer they were a wonderful combination of writing and performance the feedback I received sounded like applause But those years from the mid 1990s to the mid 2000s were difficult I was the single mother of two teenagers struggling to make a living and find a new path through the world Beth Kaplan **Single Women in Popular Culture** A. Taylor, 2011-11-25 *Single Women in Popular Culture* demonstrates how single women continue to be figures of profound cultural anxiety Examining a wide range of popular media forms this is a timely insightful and politically engaged book exploring the ways in which postfeminism limits the representation of single women in popular culture Contemporary Muslim Travel Cultures C. Michael Hall, Siamak Seyfi, S. Mostafa Rasoolimanesh, 2022-07-26 This timely volume brings together various issues in Muslim consumer cultures and provides a comprehensive account of Muslim tourism and tourist behaviour Islam is a major international religion and Muslims are a majority of the population in many countries in Asia the Middle East and North Africa The growth of a substantial middle class the development of Islamic consumer cultures rising Muslim market consumption in non Muslim majority destinations and the growing significance of intra Muslim traffic and rising outbound tourism expenditure in emerging Muslim markets have all contributed to substantial interest in Muslim tourism However travel by Muslims is about far more than the Hajj and Umrah as important as they are as acts of devotion Instead although often portrayed in the West as a monolithic religion Muslim travel and leisure behaviour is very diverse with different traditions and cultures leading to a range of expressions of tourism related consumption culture and practices Drawing on a range of empirical studies undertaken in different social and economic contexts and countries this book provides a well balanced portrayal of the Muslim tourism experience and practices This book makes a substantial contribution to an improved understanding of Muslim travel culture and will be required reading for anyone interested in this fast growing

Fuller Isadora Duncan Ruth St Denis and Maud Allan embodied the abstraction and individuality of the larger modernist movement while making astounding contributions to their art Nevertheless solo dancers have received far less attention in the literature than have performers and choreographers associated with large companies In *On Stage Alone* editors Claudia Gitelman and Barbara Palfy take an international approach to the solo dance performance The essays in this standout volume broaden the dance canon by bringing to light modern dance soloists from Europe Asia and the Americas who have shaped significant sustained careers by performing full programs of their own choreography Featuring in depth examinations of the work of artists such as Michio Ito Daniel Nagrin Ann Carlson and many others *On Stage Alone* reveals the many contributions made by daring solo dancers from the dawn of the twentieth century through today In doing so it explores many important statements these soloists made regarding topics such as freedom personal space individuality and gender in the modern era

Women and Travel Catheryn Khoo-Lattimore, Erica Wilson, 2017-03-31 *Women and Travel Historical and Contemporary Perspectives* is a fascinating look at the behavior motivations experiences and needs of women as tourists and travellers drawing on both historic and contemporary eras Surprisingly little research has explored key issues experiences and opportunities in the context of women s travel This revealing volume fills this gap exploring the discourses debates and discussions about women travel and tourism With an international roster of contributors from diverse regions of the world the book celebrates a variety of women s voices Khoo Lattimore and Wilson deliberately sought to include nontraditional and non Western perspectives on women s travel with inclusions of Asian solo female travelers Islamic women travellers and the constraints placed on them and women who cannot travel or choose for whatever reason a home holiday This enlightening volume brings together scholars from the broad areas of tourism hospitality geography and leisure studies to examine how and why women travel The chapters bring light to perspectives from different countries cultures backgrounds and religions and utilize different methods approaches and styles of presentation *Women and Travel Historical and Contemporary Perspectives* will be of interest to academics and graduate students from a range of disciplines including tourism leisure studies sociology cultural geography anthropology feminist and gender studies business economics and management as well as professionals working in the tourism industry particularly those with an interest in niche markets and segmentation

Cognitive Processes in Stereotyping and Intergroup Behavior David L. Hamilton, 2015-08-11 Originally published in 1981 this volume brings together contributions by several of the authors whose research had contributed significantly to the recent advances in our understanding of the role of cognitive processes in stereotyping and intergroup behaviour at the time While each chapter reflects a cognitive approach to its subject matter a broad range of topics issues and contexts is addressed by this collection of authors In the introductory chapter the authors present an historical overview of psychological research on stereotyping discussing historical trends in this literature and summarizing the conceptual orientations which had guided research in this area at the time This chapter not only provides useful background information

for the reader but also presents a broader context within which the current cognitively oriented research on which the remaining chapters focus can be viewed Each of the next six chapters reports on integrative program of studies bearing on some aspect of the relationship of cognitive functioning to stereotyping and or intergroup behaviour

Everyday Heroism: Victorian Constructions of the Heroic Civilian John Price, 2014-01-16 Heroism in the 19th and early 20th centuries is synonymous with military endeavours imperial adventures and the great men of history There was however another prominent and influential strand of the idea which has until now been largely overlooked This book seeks to address this oversight and establish new avenues of study by revealing and examining everyday heroism acts of life risking bravery undertaken by otherwise ordinary individuals largely in the course of their daily lives and within quotidian surroundings Adopting an interdisciplinary approach John Price charts and investigates the growth and development of this important discourse presenting in depth case studies of The Albert Medal and the Carnegie Hero Fund alongside a nationwide analysis of heroism monuments and an exploration of radical approaches to the concept Unlike its military and imperial counterparts everyday heroism embraced the heroine and this study reflects that with an examination of female heroism Discovering why certain individuals or acts were accorded the status of being heroic also provides insights into those that recognized them Heroism is a flexible and malleable constellation of ideas shaped or constructed along different lines by different people so if you want to identify the characteristics of a group or society much can be learnt by studying those it holds up as heroic Consequently Everyday Heroism Victorian Constructions of the Heroic Civilian provides valuable and revealing evidence for a wide range of social and cultural topics including class gender identity memory celebrity and literary and visual culture

The Truly Diverse Faculty S. Fryberg, E. Martínez, 2014-10-23 Many universities in the twenty first century claim diversity as a core value but fall short in transforming institutional practices The disparity between what universities claim as a value and what they accomplish in reality creates a labyrinth of barriers challenges and extra burdens that junior faculty of color must negotiate often at great personal and professional risk This volume addresses these obstacles first by foregrounding essays written by junior faculty of color and second by pairing each essay with commentary by senior university administrators These two university constituencies play crucial roles in diversifying the academy but rarely have an opportunity to candidly engage in dialogue This volume harnesses the untapped collective knowledge in these constituencies revealing how diversity claims when poorly conceived and under actualized impact the university as an intellectual work environment and as a social filter for innovative ideas
