*Some More Horse Tradin'* Ben K. Green, 2000-02-01 Presents fifteen tales of horse trading out on the range recounting the dealings of old timers and Western characters      *Horse Tradin'* Ben K. Green, 1999-08-01 A collection of twenty anecdotes about the Texas West specifically tales from the corrals livery stables and wagonyards by the old horse traders The author is a semi retired veterinarian      *Some More Horse Tradin'* Ben K. Green, 1982      *Some More Horse Tradin'* Ben K. Green, 2013-10-23 From the same corral that produced the widely loved *Horse Tradin* Ben Doc Green has rounded up fifteen new yarns filled with the ornery yet irresistible con that has branded Doc's books as classics of Western Americana *Some More Horse Tradin* recounts the go arounds of Doc and a whole slew of craggy old timers and rangy characters including a watermelon hauler who has a bit of snuff that seeps out a little on his whiskers Professor Know It All the charitable Mr Undertaker and the well known public cowboy Will Rogers See all of them matching their wiles and hear a lot of palaver dealin and tradin for well bred usin type mares snorty like range horses and even used to be bad horses from the tumbleweeded plains of Texas to the mountain meadows of Yankee Vermont Watch the Doc stretch a city ordinance with a frustrated lawman in *The Last Trail Drive Through Downtown Dallas* and admire the old time knavery skill and salesmanship in such tales as *Gittin Even Brethren Horse Traders Mule Schoolin and Water Treatment and the Sore Tailed Bronc* So here you go with Doc Green and his horse tradin West in finest fettle As he puts it himself These apples come from the same barrel as *Horse Tradin* but they ain't none of them spotty      *Supplement, 1969-1973* Estelle A. Fidell, 1974-12 An index to 11 561 stories in 805 collections      *Horse Trading in the Age of Cars* Steven M. Gelber, 2008-10-01 The trading selling and buying of personal transport has changed little over the past one hundred years Whether horse trading in the early twentieth century or car buying today haggling over prices has been the common practice of buyers and sellers alike *Horse Trading in the Age of Cars* offers a fascinating study of the process of buying an automobile in a historical and gendered context Steven M Gelber convincingly demonstrates that the combative and frequently dishonest culture of the showroom floor is a historical artifact whose origins lie in the history of horse trading Bartering and bargaining were the norm in this predominantly male transaction with both buyers and sellers staking their reputations and pride on their ability to negotiate the better deal Gelber comments on this point of sale behavior and what it reveals about American men Gelber's highly readable and lively prose makes clear how this unique economic ritual survived into the industrial twentieth century in the process adding a colorful and interesting chapter to the history of the automobile      **Short Story Index** , 1960      **Village Horse Doctor** Ben K. Green, 2013-10-23 In the inimitable yarn spinning fashion of *Horse Tradin* and *Wild Cow Tales* Ben K Doc Green now takes us back with him to the deep Southwest and the never a dull moment years he spent as practicing horse doctor working out of Fort Stockton Texas along the Pecos and the Rio Grande in one of the last big horse countries of North America With precious little formal schooling but with a perfect if sometimes profane corralside manner and plenty of natural

wit Doc became the first to hang up a shingle out there in the trans Pecos country And he didn t start small The territory he had for his practice was 420 miles north and south by 360 miles east and west And he covered that territory by all means known to man shank s mare horseback buckboard and his standby for long hauls a beat up old coupe on whose body panels he kept his books in chalk To go with Doc on his rounds visiting his patients is a nostalgic and hilarious journey into a spacious yesterday and a liberal education in the kind of horse and cow savvy of which precious little remains in the modern world As a horseman it was a savvy he came by naturally But perhaps he learned most from his own research his own book on horse confirmation privately published in several printings is still a bible among practical horsemen his research in his own laboratory on horse colors and pigmentation has made him an expert on what makes a strawberry roan or a coyote dun But the meat of Ben Green s books is in his yarns To hear him tell the tales of his struggles with mean and friendly stockmen yellowweed fever banditos poison hay and drouth to say nothing of his canny mix of science and horse sense when treating animals that ain t house pets is a 100 proof old time pleasure *Famous Texas Folklorists and Their Stories* Jim Gramon,2000-09-01 Jim Gramon a native Texas storyteller introduces you to some of his friends John Henry Faulk Cactus Pryor Allen Damron Mason Brewer Mody Boatright and Ben King Green And he shares funny Texas stories from all over the state from the Oil Patch to the Panhandle from the Big Bend to the Piney Woods big towns and small Dallas Houston Austin El Paso Terlingua Manchaca Cumby Sulfur Springs Commerce **Short Story Index: 1969-1973** ,1974 The Mule Companion Cynthia Attar,2009-10-27 This fourth edition of The Mule Companion is a comprehensive book on mules with new photos of many real people and mules doing real mule activities The Mule Companion has been called an excellent mule primer for those people just getting into mules However the book also hosts an in depth study of why mules do what they do their idiosyncrasies training and problem solving Also the book is rich with how to information on caring for breeding for fitting tack on buying and mule activities past and present Passionate Nation James L. Haley,2022-05-15 Utilizing many sources new to publication James L Haley delivers a most readable and enjoyable narrative history of Texas told through stories the words and recollections of Texans who actually lived the state s spectacular history From Jim Bowie s and Davy Crockett s myth enshrouded stand at the Alamo to the Mexican American War and to Sam Houston s heroic failed effort to keep Texas in the Union during the Civil War the transitions in Texas history have often been as painful and tense as the normal periods in between Here in all of its epic grandeur is the story of Texas as its own passionate nation Texas native Haley does an outstanding job of narrating the outsized and dramatic history of the Lone Star State John Steinbeck observed Like most passionate nations Texas has its own private history based on but not limited by facts Cognizant of this Haley takes pains to separate folklore from fact He s a good storyteller but then it s hard to go wrong with the colorful characters he has to work with pioneer nationalists Sam Houston and Davy Crockett Quaker abolitionist Benjamin Lundy a wagonload of liquored up turn of the century oilmen and such latter day heroes as Lyndon Johnson John Connally and Janis Joplin

Publishers Weekly Starred Review     Mule Trader William R. Ferris, 2010-12-01 Readers captivated by this book will be happy that Bill Ferris found Ray Lum and that he thought to turn on a tape recorder Lum 1891 1977 was a mule skinner a livestock trader an auctioneer and an American original This delightful book first published in 1992 as *You Live and Learn Then You Die and Forget It All* preserves Lum's colorful folk dialect and captures the essence of this one of a kind figure who seems to have stepped full blooded from the pages of Mark Twain This riveting tale spinner was tall heavy set and full of body rhythm as he talked In his special world he was famous for trading for tale telling and for common sense lessons that had made him a savvy bargainer and a shrewd businessman His home and his auction barn were in Vicksburg Mississippi where mules were his main interest but in trading he fanned out over twenty states and even into Mexico A west Texas newspaper reported his fame this way He is known all over cow country for his honest fair dealing and gentlemanly attitude A letter addressed to him anywhere in Texas probably would be delivered Over several years Ferris recorded Lum's many long conversations that detail livestock auctioneering cheery memories of rustic Deep South culture and a philosophy of life that is grounded in good horse sense Even among the most spellbinding talkers Lum is a standout both for what he has to say and for the way he says it Ferris's lucky protracted encounters with him turn out to be the best of good fortune for everybody
