This book of poetry showcases real life events from the perspective of a young female author who chose to remain anonymous Topics such as family issues rape sexuality etc are explored in a uniquely raw way **Stuff You Should Know** Josh Clark,Chuck Bryant,2020-11-24 From the duo behind the massively successful and award winning podcast Stuff You Should Know comes an unexpected look at things you thought you knew Josh Clark and Chuck Bryant started the podcast Stuff You Should Know back in 2008 because they were curious curious about the world around them curious about what they might have missed in their formal educations and curious to dig deeper on stuff they thought they understood As it turns out they aren t the only curious ones They ve since amassed a rabid fan base making Stuff You Should Know one of the most popular podcasts in the world Armed with their inquisitive natures and a passion for sharing they uncover the weird fascinating delightful or unexpected elements of a wide variety of topics The pair have now taken their near boundless whys and hows from your earbuds to the pages of a book for the first time featuring a completely new array of subjects that they ve long wondered about and wanted to explore Each chapter is further embellished with snappy visual material to allow for rabbit hole tangents and digressions including charts illustrations sidebars and footnotes Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds to the history of facial hair to the psychology of being lost Have you ever wondered about the world around you and wished to see the magic in everyday things Come get curious with Stuff You Should Know With Josh and Chuck as your guide there s something interesting about everything except maybe jackhammers **15 Things You Should Know** John Carroll,2018-10-16 15 Things You Should Know Wisdom for Life s

Journey is all about life or more appropriately it is a reflection of life s journey As you will discover the book is loaded with great quotes fun facts tips life lessons and relevant content for the ages They re all designed to make you pause laugh think question and thoughtfully consider where you are today in your journey and the opportunities and challenges that are ahead You ll also find a few I had no idea and what the heck moments as well as lots of random thoughts thrown in for good measure just to hold your attention and keep things interesting Each chapter is a collection of my own home remedies suggested actions and answers to things you need to know that apply in business and to all other areas of life as well a

compilation derived from my personal life experiences more than 175 articles I have written over the years and the research conducted on the selected chapter topics From the The Journey to The End 15 Things You Should Know Wisdom for Life s Journey will educate encourage challenge and inspire you to continue to change grow and accomplish great things throughout your lifetime and most importantly to make a positive difference in the lives of others *Where's my dog? The search for honest leadership.* David B. Watkins,2013-04-15 What a bizarre title But it is interesting isn t it Doesn t it make you ask What could this be all about Well the truth is it s not about dogs at all it s about leadership and honesty Nevertheless dogs are a useful metaphor You see dogs are the closest thing we can find when searching for examples of uncompromising honesty Dishonesty is not part of their DNA In contrast the problem for many leaders today is that at some level most people lie This may seem like a provocative statement but it s true even though most of the time we do not even know we are doing it Some including many renowned psychologists would even say that at some level we need to lie to survive Do we In a world of business sports and political Watergates and scandals that has even culminated in Papal resignations against a background of vatileaks we seem to suffer from a paradoxical scenario We find ourselves contrasting the lack of honesty that brought down many of our business and sporting figures as exemplified by the likes of Madoff Lance Armstrong and Oscar Pistorius to name a few with the apparent total honesty of leaders such as the Dalai Lama Kofi Anan and even Richard Branson or Steve Jobs We all know that whilst some leaders command respect others do not Some leaders have willing followers whilst others are followed through coercion Some may lose their followers whilst others should never have any And some allow their egos to block trust whilst others are dealers in trust This book is therefore a journey into one of the hottest topics for leaders today honest leadership But this is not just another leadership book or simply a nice story It is about honest leaders changing the world Now that s a big claim But its deserved because this book sniffs and scratches around the undergrowth searching for the real meaning of honesty and leadership and finishes up helping you uncover your own truth And with the aid of a remarkably simple idea the Eight Axioms of Honest Leadership this book will provide you with the tools and skills to enable you to identify train and maybe even tame your own leadership approach and help you to become a top dog
