

Hard Would You Rather Questions

1. Would you rather have a pause button or a rewind button for your life?
2. Would you rather be trapped in a cave filling up with water or be falling through the sky with a broken parachute?
3. Would you rather give up watching sport or having sex?
4. Would you rather never be able to read or write again?
5. Would you rather be the smartest person in the world or the wealthiest?
6. Would you rather be able to read someone's mind or control their mind?
7. Would you rather sweat constantly or smell bad every day?
8. Would you rather be colour blind or not be able to taste food?
9. Would you rather have spiders crawl on you or eat a large worm?
10. Would you rather be born in the past or the future?
11. Would you rather be stranded at sea or in the desert?
12. Would you rather live in an igloo or a treehouse?
13. Would you rather give up ice cream or cookies for the rest of your life?
14. Would you rather be able to shed your skin like a snake or grow back arms like a lizard?
15. Would you rather your mum or dad walk in on you having sex?
16. Would you rather use lemon juice for eye drops or use poison ivy for toilet paper?
17. Would you rather always get no signal on your phone or get stuck in traffic every day?
18. Would you rather be a baby and never grow up or be born an adult and never grow old?
19. Would you rather find your true love or have the chance to work at NASA?
20. Would you rather always be brutally honest or always lie to the people you love?

Some Hard Questions

Judith L. Pace

Some Hard Questions:

'Hell': A Hard Look at a Hard Question David J. Powys, 2007-01-01 I welcome this rigorous examination of some of the many questions which are raised by the doctrine of hell At a time when it is rare to hear even heaven spoken about in our churches it is encouraging that this sober theme is once more in our sights It was plainly often on the lips of Jesus Nigel M de S Cameron Trinity International University Dr Powys has pursued a rigorous examination of the Scriptures He rivets our attention on what the New Testament actually says about the fate of the unrighteous This is a seminal work David Claydon Federal Secretary CMS Australia The author writing from a position of biblical conservatism has presented a powerful convincing and scholarly case for the view that the unrighteous will forfeit resurrection life in the Kingdom of God It is in my judgment the most thorough treatment of the issue in recent years John W Pryor Macquarie University This book is an impressive thorough discussion of a thorny question Dr Powys is at home in many branches of biblical studies He examines the biblical evidence carefully and sets his case out lucidly and with real insight showing convincingly how ill founded are many ancient and many recent views on the fate of the unrighteous His own solution of a set of complex exegetical and theological issues is judicious and clearly the end result of careful thought from the Foreword by Graham Stanton University of Cambridge David Powys has made a significant contribution to an increasingly important debate His book s real strength lies in its very careful study of New Testament teaching in the light of a comprehensive analysis of the Old Testament and Jewish literature This literature is rightly seen not merely as background but as the key to a right understanding of the New Testament teaching I wish that such a clear discussion had been available when I first began engaging with these questions Stephen Travis St John s College Nottingham David Powys was educated at The University of Melbourne He gained degrees in arts and social work studied theology at Ridley College and was ordained in 1981 Dr Powys has ministered in four Melbourne parishes He is an Examining Chaplain to the Archbishop of Melbourne and a member of Archbishop in Council and National Synod He was awarded the Doctor of Theology by the Australian College of Theology in 1994 for his *The Hermeneutics of Hell* The present volume is a slightly abbreviated version of that dissertation

Hard Questions John Kekes, 2019-01-15 In this book John Kekes discusses the hard questions we all must face in the course of our lives How should we respond to evil Do we owe what our country asks of us Does it make us better to be ashamed of what we have done Is it always good to be true to who we are Do good intentions justify bad actions John Kekes argues that such questions are hard because reasonable answers to them often conflict He shows how their conflicts can be resolved and how we can best cope with these problems

Hard Questions Judith L. Pace, 2021-02-15 Teaching controversial issues in the classroom is now more urgent and fraught than ever as we face up to rising authoritarianism racial and economic injustice and looming environmental disaster Despite evidence that teaching controversy is critical educators often avoid it How then can we prepare and support teachers to undertake this essential but difficult work *Hard Questions Learning to Teach Controversial*

Issues based on a cross national qualitative study examines teacher educators efforts to prepare preservice teachers for teaching controversial issues that matter for democracy justice and human rights It presents four detailed cases of teacher preparation in three politically divided societies Northern Ireland England and the United States The book traces graduate students learning from university coursework into the classrooms where they work to put what they have learned into practice It explores their application of pedagogical tools and the factors that facilitated or hindered their efforts to teach controversy The book s cross national perspective is compelling to a broad and diverse audience raising critical questions about teaching controversial issues and providing educators researchers and policymakers tools to help them fulfill this essential democratic mission of education 100 Tough Questions about God and the Bible Stephen M. Miller, 2014-04-15

Straightforward answers to questions Christians and skeptics alike ask about God and the Bible Let s be honest the Bible can be hard to understand It s full of weird laws apparent inconsistencies and tales of a God who often doesn t do what we expect You may have asked about some of these things and been brushed off or given trite unconvincing answers But serious questions deserve thoughtful responses especially when opinions of Bible experts clash Stephen M Miller pulls insight from a wide range of Bible experts to report their answers to the tough questions He does so with a touch of humor and no preaching allowing you to draw your own conclusions Questions include Would a loving God really put a good man like Job through horrible suffering just to test his loyalty If God knows everything why did he test Abraham s faith by asking him to sacrifice his own son How could there be just one God yet three Since Jesus told people to turn the other cheek why aren t more Christians pacifists *Asking God Some Tough Questions* E. Graham, 2015-11-20 I was taken into the Spirit for three days That s when God revealed to me that I was to write this book and interview Him He said to me This book is one of My many tools that I will use in these last days to bring many out of bondage and bring healing to the nations of the world This is not a new revelation as God said He is the same yesterday today and forever This book just deals with serious questions of everyday life and the answers from God Himself God said this does not replace or override His written Word in the Holy Scriptures but is another aide for everyday living All the questions and answers were under the inspiration of God

Challenging Life: Existential Questions as a Resource for Education Jari Ristiniemi, Geir Skeie, Karin Sporre, 2018

There is an increasing recognition today that young people need to have knowledge about religions and world views in order to live and work in diverse societies What kind of maps are they provided with through religious values and ethics education Does education address the challenging existential questions that children and adolescents ask about life and the world This volume addresses different aspects of how existential questions have been dealt with in educational research It especially draws attention to the Swedish research tradition of focusing on life questions and the interpretation of life in education but with contemporary international research added It also addresses issues of ethics education and discusses possible options for the future of existential questions as a resource for education **20 Tough Questions Teenagers Ask and 20 Tough**

Answers Lois Jean Davitz, Lois L. Davitz, Joel Robert Davitz, 1998 Addresses tough questions teens ask dealing with issues of faith death sexuality contraception divorce family etc and provides responses to these questions based on fundamental Christian values Difficult Questions on Dinosaurs Richard Pittack, 2011-07-01 This book is not the typical Questions and Answers on Dinosaurs book It is not a book for children enabling them to find out the largest recorded dinosaur to discover what dinosaurs ate or even how they managed to get up after nap time An informative book on the biology and anatomy of the mighty reptiles it is not The series of questions in this treatise of answers has arisen from meetings conducted on dinosaurs The questions have come from all kinds of people in various and sundry walks of life Some of the questions were common and not much is to be learned from answers to such generalities However some of the questions are not only posed by the curious but come from hearts filled with consternation while contemplating the subject of Theodicy Did the Creator contribute heavily to the world's landscape of tooth and claw Is the canvass of God's creation not only etched in blood but filled with the stench and smell emanating from the so called Mesozoic Era of the past Answers to Tough Questions Tony Marinez, 2010-03-04 We live in a world filled with complexities and difficult choices to make When we add in the hectic and faced paced lives that we lead it's no wonder that most of us spend a lifetime searching for answers Unfortunately many people fail to go to the one place that contains answers to every difficulty that man could face the Bible **Answers to Tough Questions** is meant to encourage believers not only to finding the answers to life's difficulties but to maintaining consistent fellowship with the Lord who holds those answers This book was prayerfully conceived with the desire that every reader would be strengthened and encouraged in their growth in the Lord Straight Answers to 35 Tough Questions Gordon Kainer, 2017-07-18 Many years ago Bob Dylan wrote The answer my friend is blowin' in the wind but we've learned that really important answers don't come that easily Asking questions is a sign of a healthy growing faith a faith that drives us deeper into God's Word That's the reason God's first question in the Old Testament is Where are you while the first question the wise men ask in the New Testament is Where is He It's been observed that God answers just enough questions to get us through the day while leaving us with enough unanswered questions so we can look forward to learning more tomorrow This book is designed to deal with some of our most difficult questions or troubling issues from a biblical perspective At times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other That's one reason we're not only to confront knotty questions but willingly accept God's unraveling answers

 Turn in Moral Psychology* Mark Fedyk, 2017-01-13 An argument that moral psychology can benefit from closer integration
 with the social sciences offering a novel ethical theory bridging the two In this book Mark Fedyk offers a novel analysis of the
 relationship between moral psychology and allied fields in the social sciences Fedyk shows how the social sciences can be

integrated with moral philosophy argues for the benefits of such an integration and offers a new ethical theory that can be used to bridge research between the two Fedyk argues that moral psychology should take a social turn investigating the psychological processes that motivate patterns of social behavior defined as ethical using normative information extracted from the social sciences He points out methodological problems in conventional moral psychology particularly the increasing methodological and conceptual inconsistency with both philosophical ethics and evolutionary biology Fedyk's causal theory of ethics is designed to provide moral psychology with an ethical theory that can be used without creating tension between its scientific practice and the conceptual vocabulary of philosophical ethics His account aims both to redirect moral psychology toward more socially realistic questions about human life and to introduce philosophers to a new form of ethical naturalism a way of thinking about how to use different fields of scientific research to answer some of the traditional questions that are at the heart of ethics

Some Hard Questions Introduction

In the digital age, access to information has become easier than ever before. The ability to download Some Hard Questions has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Some Hard Questions has opened up a world of possibilities. Downloading Some Hard Questions provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Some Hard Questions has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Some Hard Questions. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Some Hard Questions. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Some Hard Questions, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Some Hard Questions has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Some Hard Questions Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Some Hard Questions is one of the best book in our library for free trial. We provide copy of Some Hard Questions in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Some Hard Questions. Where to download Some Hard Questions online for free? Are you looking for Some Hard Questions PDF? This is definitely going to save you time and cash in something you should think about.
