**Artists' Magazines** Gwen Allen, 2015-08-21 How artists magazines in all their ephemerality materiality and temporary intensity challenged mainstream art criticism and the gallery system During the 1960s and 1970s magazines became an important new site of artistic practice functioning as an alternative exhibition space for the dematerialized practices of conceptual art Artists created works expressly for these mass produced hand editioned pages using the ephemerality and the materiality of the magazine to challenge the conventions of both artistic medium and gallery In *Artists Magazines* Gwen Allen looks at the most important of these magazines in their heyday the 1960s to the 1980s and compiles a comprehensive illustrated directory of hundreds of others Among the magazines Allen examines are *Aspen* 1965 1971 a multimedia magazine in a box issues included Super 8 films flexi disc records critical writings artists postage stamps and collectible chapbooks *Avalanche* 1970 1976 which expressed the countercultural character of the emerging SoHo art community through its interviews and artist designed contributions and *Real Life* 1979 1994 published by Thomas Lawson and Susan Morgan as a forum for the Pictures generation These and the

other magazines Allen examines expressed their differences from mainstream media in both form and content they cast their homemade do it yourself quality against the slickness of an Artforum and they created work that defied the formalist orthodoxy of the day Artists Magazines featuring abundant color illustrations of magazine covers and content offers an essential guide to a little explored medium

**Destruction Rites** Mona Hadler, 2017-01-30 In the early sixties crowds gathered to watch rites of destruction from the demolition derby where makeshift cars crashed into each other for sport to concerts where musicians destroyed their instruments to performances of self destructing machines staged by contemporary artists Destruction in both its playful and fearsome aspects was ubiquitous in the new Atomic Age This complicated subjectivity was not just a way for people to find catharsis amid the fears of annihilation and postwar trauma but also a complex instantiation of ideological crisis in a time with some seriously conflicted political myths Destruction Rites explores the ephemeral visual culture of destruction in the postwar era and its links to contemporary art It examines the demolition derby games and toys based on warfare playgrounds situated in bomb sites and the rise of garage sales where goods designed for obsolescence and destined for the garbage heap are reclaimed and repurposed by local communities Mona Hadler looks at artists such as Jean Tinguely Niki de Saint Phalle Martha Rosler and Vito Acconci to expose how the 1960s saw destruction construction and the everyday collide as never before During the Atomic age whether in the public sphere or art museums destruction could be transformed into a constructive force and art objects and performances often oscillated between the two
