Forty Something Robert M. Fleisher, 2009-04-09 So what are the forties all about Will your hair fall out Will sex be important Will your memory fade Will you fall into the vice of Midlife Crisis Will your marriage survive What is the meaning of life and for that matter death How will you compare when it s time to go to the twenty fifth reunion Explore these and many other relevant questions as they relate to middle age It is very rare that we are offered a glimpse into the future course our lives Now you can experience the universal phenomenon of aging before it happens Forty Something is truly a guide and a handbook for the inevitable journey through middle age Ignore the warnings or embrace them for a happier healthier and better quality of life Let insight be your guide Join the small but smarter more diligent group of folks who are going to change their lives for the better by following the advice in Forty Something Observations interviews and extensive research are employed to give the reader an unusual insight into the process of passing through the forties You can go it alone or you can take a guide with you You can keep Forty Something on your night table and look up the things that are important to you as they are encountered or you can go to sleep in the dark about your very existence You decide Because the second half of life really can be better than the first half Forty Something has answers **The Wide**
