Balor,2017-11-11 The television series **SPACE 1999** was

in its first series shaped by the late sixties and early seventies counterculture movements making **SPACE 1999** into an example of how certain SF scholars see a natural alignment between science fiction and critical theory However due to changes in the political climate **SPACE 1999** went through an ideological reversal in its second series As a result the schizophrenic nature of the series has ever since caused debate This book is written on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at [www.lulu.com](http://www.lulu.com) The Origins of the Celtic People Anna Harvey,2014-10-06 The book tells the story of our Ancient History of the Western World and the Celtic People Leading up to their demise and total annihilation from Henry the 8th with cannons and ending with Cromwell it also tells about the scientific experimentation of the blighted potato for 35 years they were scientifically analysing it from 1814 from when it was first discovered before it was fully implemented into Ireland and I have a photo with a caption underneath

it specifying the extermination of the Irish People and how the fields were manned with soldiers who were placed in a harrowing situation that if they did not carry out their orders shoot to kill if the Irish people tried to get the turnips or other vegetation that was fully grown in Ireland and shipped to England they too would be shot they were to be deliberately starved to death by order of the Duke Of Wellington      *Conversations with Neil Gaiman* Joseph Michael
