will find under each work not only the title and date of composition but also the date of revision commission and dedication information as well as other pertinent details ranging from the names of collaborators to alternate titles under which works may circulate *Composers in the Classroom* is an indispensable tool to scholars of modern music seeking to research the current state of musical composition and the compositional trends of the 21st century Catalogue of (printed) music. Music. Accessions, pt.[1]-94 British museum dept. of pr. books,1884 *Alun Hoddinott* R. Craggs Stewart,2017-11-30 Alun Hoddinott is the most important living Welsh composer and one of the most distinguished and prolific composers of his generation internationally His works have been performed in major centres as far afield as Tokyo and Berlin Melbourne and Leipzig New York and Venice as well as the major festivals in Wales and England He is one of the very few composers to have been commissioned to compose a concerto for Mstislav Rostropovitch Born in Bargoed Glamorganshire in August 1929 Alun Hoddinott started to play the violin and compose at an early age Some of his works were performed and broadcast whilst he was a student at University College Cardiff and he later studied with the Australian composer and pianist Arthur Benjamin His first major success was his Clarinet Concerto No 1 given by Gervaise de Peyer and the Halle Orchestra under John Barbirolli at the 1954 Cheltenham Music Festival This Source Book lists all Hoddinott's compositions from 1946 to 2005 almost 60 years of phenomenal output and shows he has achieved a mastery of composition which embraces almost every musical medium With information given on first performances manuscript locations and recordings in addition to details of composition dates authors librettists durations commissions and dedications amongst much else this book is a key reference for all those interested in Alun Hoddinott and his music *Chamber Music* Mark A. Radice,2012-01-19 A thorough overview and history of chamber music **The Sonata** Thomas Schmidt-Beste,2011-03-10 What is a sonata Literally translated it simply means instrumental piece It is the epitome of instrumental music and is certainly the oldest and most enduring form of pure and independent instrumental composition beginning around 1600 and lasting to the present day Schmidt Beste analyses key aspects of the genre including form scoring and its social context who composed played and listened to sonatas In giving a comprehensive overview of all forms of music which were called sonatas at some point in musical history this book is more about change than about consistency an ensemble sonata by Gabrieli appears to share little with a Beethoven sonata or a trio sonata by Corelli with one of Boulez's piano sonatas apart from the generic designation However common features do emerge and the look across the centuries never before addressed in a single volume survey opens up new and significant perspectives *Classical Music* Alexander J. Morin,2002 Encompassing more than five hundred classical composers past and present this listener's guide to classical music discusses the best recordings of symphonies operas choral pieces chamber music and more by the world's leading composers as performed by a variety of outstanding musicians and conductors and includes essays on the classical repertory composers instruments and more Original
