Worry Workbook for Kids Lauren Mosback LPC, NCC, 2022-12-27

Help kids ages 8 to 12 show their worries who's boss. Everyone worries sometimes including kids. But if your child worries too much it can be harder for them to learn, grow and have fun. This workbook for kids is full of exercises that teach them how to stop their worries from taking over their thoughts so they can approach each day with a sense of confidence and adventure. What does it mean to worry? Kids will learn what's happening to their brain and body when they feel worried with kid-friendly language and examples that are easy for them to understand. 50 ways to feel better. Equip kids to navigate their feelings with activities like writing down what they're worried about, identifying how different situations make them feel, speaking kindly to themselves and more. Skills for every situation. This hands-on workbook helps kids practice lifelong skills like resilience, self-care, empathy and positive thinking. Give kids the tools to feel calmer and happier in every situation with the Worry Workbook for Kids.

Reading with Sounds (2) Hunter Calder, 2003

Once your child is familiar with letters of the alphabet and matched them to their sounds, they can start putting sounds together into words. Book 8 started your child reading and writing whole words and Book 9 continues with further activities. In *Excel English Early Skills Reading with Sounds 2*, your child will practise blending simple single letter sounds into meaningful words, learn to choose the correct word from a list of words with the same endings and patterns, write whole words for pictures. The activities in each book are divided into double pages. Each double page allows your child to practise one particular skill many times so that the skill is reinforced. This book has a clear, easy-to-follow page design with clear explanations to help both parents and children.
