Book 5, The Terrifying Tale of the Homesick Scarecrow** R T Green,2023-05-24 When an Earth shattering secret has two legs a big mouth and a blinkered determination to get home by any means necessary it s up to Daisy and Aidan to stop it happening by any means necessary One of the best cozy mystery series I ve ever read Come and meet our feisty R E D heroine and find out why she s such a hit with readers From feeling like they were back in the eighteenth century Daisy and Aidan are thrust very much into the twenty first century Answering a desperate call for help

they find themselves embroiled in a crazy chase across the county to stop a secret going public that must never hit the front pages This time the puzzle is the whereabouts of a missing scarecrow and the question of just how he intends getting home Our story is different in another but just as scary a way too Our intrepid heroes are separated and neither knows where the other is For Aidan an encounter with an old friend proves frighteningly enlightening while Daisy discovers evidence he could well be in mortal danger and there isn't a lot of time to save his life or the situation Neither of them realise the secret they're chasing is hardly the secret they thought it was As an ever increasing number of friends and enemies join the battle for the same pot of gold the yellow brick road starts to look more like a four lane highway and the end of the rainbow seems to be ever further away Who will be the first to make Emerald City in one piece With the spoils just out of sight over the horizon that's anyone's guess The Terrifying Tale of the Homesick Scarecrow is the fifth book in the hilarious Daisy series and like the others is not exactly what you might expect Check out the whole series and everything else we create on the [right green website](#) And enjoy
