Roberto Duran tells his unbelievable story from the streets of Panama to being crowned one of the Four Kings along with Hearns Leonard and Hagler as he blazed a trail through the Golden Age of Boxing Born into abject poverty barely able to read or write Duran quickly realized that his fists could both protect him on the streets and put food on the table His reputation was established on the day when for a bet he knocked down a horse with a single punch At the age of twenty one he claimed his first world title against Ken Buchanan at Madison Square Garden The legend of Manos de Piedra was born but his most glorious moment was yet to come In 1980 Duran delivered one of the greatest upsets in boxing history by defeating the previously unbeatable Sugar Ray Leonard But greater fame brought greater distractions and Duran's endless partying took its toll before the two superstars faced each other again Here for the first time ever Duran confronts the debacle of the rematch that entered sporting folklore and the truth behind the moment he was heard to utter the infamous words No more Duran's explosive performances in the ring were matched only by the volatility of his life outside it He lurched from living like royalty to bankruptcy and after being written off as a boxing also ran made a bloody legendary comeback that gave his career the ultimate ending and finally brought redemption He came from nothing and changed the world I Am Duran is the autobiography of one of boxing's most iconic legends Мухаммед Али: Биография Джонатан Эйг,2021-04-02 PDF A4
