Superpowers Defeated A Comparison Of Vietnam And Afghanistan

Heather Bleaney

Superpowers Defeated A Comparison Of Vietnam And Afghanistan:

Superpowers Defeated Douglas A. Borer, 1999 During the Cold War military conflicts in Vietnam and Afghanistan validated the importance of war in global power dynamics But military intervention proved not to be politically sustainable for the USA and the USSR This study investigates the parallels and differences in the two conflicts *Superpowers Defeated* Douglas Anthony Borer, 1993

Superpowers Defeated Douglas A. Borer, 2013-02-01 During the Cold War military conflicts in Vietnam and Afghanistan validated the importance of war in global power dynamics But military intervention proved not to be politically sustainable for the USA and the USSR This study investigates the parallels and differences in the two conflicts *Superpowers Defeated* Douglas A. Borer, 1999

Organizations at War in Afghanistan and Beyond Abdulkader H. Sinno, 2011-03-15 After we had exchanged the requisite formalities over tea in his camp on the southern edge of Kabul's outer defense perimeter the Afghan field commander told me that two of his bravest mujahideen were martyred because he did not have a pickup truck to take them to a Peshawar hospital They had succumbed to their battle wounds He asked me to tell his party's bureaucrats across the border that he needed such a vehicle desperately I double checked with my interpreter that he was indeed making this request I wasn't puzzled because the request appeared unreasonable but because he was asking me a twenty year old employee of a humanitarian organization to intercede on his behalf with his own organization's bureaucracy I understood on this dry summer day in Khurd Kabul that not all militant and political organizations are alike from *Organizations at War in Afghanistan and Beyond* While popular accounts of warfare particularly of nontraditional conflicts such as guerrilla wars and insurgencies favor the roles of leaders or ideology social scientific analyses of these wars focus on aggregate categories such as ethnic groups religious affiliations socioeconomic classes or civilizations Challenging these constructions Abdulkader H Sinno closely examines the fortunes of the various factions in Afghanistan including the mujahideen and the Taliban that have been fighting each other and foreign armies since the 1979 Soviet invasion Focusing on the organization of the combatants Sinno offers a new understanding of the course and outcome of such conflicts Employing a wide range of sources including his own fieldwork in Afghanistan and statistical data on conflicts across the region Sinno contends that in Afghanistan the groups that have outperformed and outlasted their opponents have done so because of their successful organization Each organization's ability to mobilize effectively execute strategy coordinate efforts manage disunity and process information depends on how well its structure matches its ability to keep its rivals at bay Centralized organizations Sinno finds are generally more effective than noncentralized ones but noncentralized ones are more resilient absent a safe haven Sinno's organizational theory explains otherwise puzzling behavior found in group conflicts the longevity of unpopular regimes the demise of popular movements and efforts of those who share a common cause to undermine their ideological or ethnic kin The author argues that the organizational theory applies not only to Afghanistan where he doubts the effectiveness of American state building efforts but also to other ethnic

revolutionary independence and secessionist conflicts in North Africa the Middle East and beyond **The American Bibliography of Slavic and East European Studies** Patt Leonard, Rebecca Routh, 2020-02-27 This bibliography first published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social sciences life sciences and technology The End of the Cold War and its Aftermath Mark R. Wilcox, Sean N. Kalic, 2023-09-20 Roughly thirty years ago the Cold War came to an end This multi generational struggle which did not always remain cold came to define the security environment and arguably the social milieu for much of the world s population It certainly was prominent in the life experiences of the contributing authors to this volume perhaps beginning with duck and cover drills in schools to being surrounded by the ubiquitous Fallout Shelter signs on public buildings For most of the authors it also involved service in the armed forces both in active combat for instance in Vietnam and in units preparing for a hot war in Europe that thankfully never came Their service also included time on staffs developing plans and policies to manage the military competition and in arms control working to reduce the chances of war One thing all the authors share vis vis the Cold War is the desire to study it learn from it and share their insights with others *A Military History of the Cold War, 1962-1991* Jonathan M. House, 2020-09-24 Study of the Cold War all too often shows us the war that wasn t fought The reality of course is that many hot conflicts did occur some with the great powers weapons and approval others without It is this reality and this period of quasi war and semiconflict that Jonathan M House plumbs in *A Military History of the Cold War 1962-1991* a complex case study in the Clausewitzian relationship between policy and military force during a time of global upheaval and political realignment This volume opens a new perspective on three fraught decades of Cold War history revealing how the realities of time distance resources and military culture often constrained and diverted the inclinations or policies of world leaders In addition to the Vietnam War and nuclear confrontations between the USSR and the United States this period saw dozens of regional wars and insurgencies fought throughout Asia Africa and Latin America Cuba Pakistan Indonesia Israel Egypt and South Africa pursued their own goals in ways that drew the superpowers into regional disputes Even clashes ostensibly unrelated to the politics of East West confrontation such as the Nigerian Biafran conflict the Falklands Malvinas War and the Indonesian occupation of East Timor involved armed forces weapons and tactics developed for the larger conflict and thus come under House s scrutiny His study also takes up nontraditional or specialized aspects of the period including weapons of mass destruction civil military relations civil defense and control of domestic disorders The result is a single integrated survey and analysis of a complex period in geopolitical history which fills a significant gap in our knowledge of the organization logistics operations and tactics involved in conflict throughout the Cold War *Modern Afghanistan* Amin Saikal, 2004-08-27 Afghanistan s recent history is a sad one Soviet invasion in 1979 Pakistan backed internal conflict in the 1980s the Taliban regime and then the US invasion and the multi national occupation after the events of 11 September 2001

Why does Afghanistan remain so vulnerable to domestic instability foreign intervention and ideological extremism In reconstructing the tempestuous narrative of modern Afghanistan Amin Saikal provides a sweeping new understanding of its troubled past and present He identifies the country s inability to develop stable political structures as stemming from the inter dynastic rivalry complicated by polygamy that scarred successive royal families from the end of the eighteenth century until the pro Soviet Communist coup of April 1978 all exacerbated by foreign interventions feeding on fragile domestic structures and the rise and fall of different ideological streams Here for the first time is an up to date analysis of the era of the Taliban s rule the effects of US domination in the country and attempts to negotiate a US withdrawal including talks about talks with the Taliban themselves This book which sets the crisis of Afghanistan in the context of the country s modern history and social structures makes a major and highly original contribution towards a better and more nuanced understanding of this ill fated land It is the definitive study of Afghanistan and its troubles in national regional and international contexts from 1747 to the present day

Ukraine and Beyond Janne Haaland Matlary,Tormod Heier,2016-08-05 This book is the first full spectrum analysis of Russian and European norms of political action ranging from international law ethics and strategy to the specific norms for the use of force It brings together leading scholars from these various fields examining the differences in norm understanding between Russia and Europe In light of the 2014 occupation and annexation of Crimea by Russia and its subsequent covert participation in the internal affairs of Ukraine including aggressive flying and major military exercises Russia seems to be a classical revisionist power intent on changing the balance of power in Europe in particular It also reaches beyond Europe inserting itself as the key actor in the Syrian war The book therefore considers how we should understand Russia It also questions whether or not the West in particular Europe responds adequately in this delicate and dangerous new situation The book concludes that at present Russia acts strategically and with considerable success whereas Europe is reactive in its response

The Central Asia-Afghanistan Relationship Marlene Laruelle,2017-08-14 Central Asia is a relatively understudied neighbor of Afghanistan The region is often placed into a number of historical and political contexts a section of the Silk Road a pawn in the Great Game the spillover state that exemplifies the failure of US foreign policy that limit scholarly understanding This edited volume contributes by providing a broad long term analysis of the Central Asia Afghanistan relationship over the last several decades It addresses the legacy of Soviet intervention with a unique first hand selection of interviews of former Soviet Central Asian soldiers that fought in the Soviet Afghan War It examines Afghanistan s norther neighbors discussing Russia Uzbekistan Tajikistan and Turkmenistan their strategy for Afghanistan their perception of challenges and opportunities of the country and patterns of cooperation and conflict The collection also looks at recent US strategic initiatives in the region in particular the New Silk Road Initiative that envisions a growing Central Asia South Asia connection

Afghanistan Heather Bleaney,2006-02-01 This up to date comprehensive thematically indexed bibliography devoted to Afghanistan now and

yesterday will help readers to efficiently find their way in the massive secondary literature available Following the pattern established by one of its major data sources viz the acclaimed Index Islamicus both journal articles and book publications are included and expertly indexed An indispensable entry for all those taking professional or personal interest in a nation so much the focus of attention today *Vietnam* D.R. SarDesai,2018-02-23 An indispensable tool for college students and general readers the only available text that treats Vietnamese history in its entirety from its beginning to the twenty first century as it places Vietnam within the regional and global context SarDesai's *Vietnam* looks at Vietnam as a country and not just as a war The text has also benefited from its author's decades long expertise on Southeast Asia as reflected in the comprehensive bibliography and use of the latest works NGUYEN THI DIEU Ph D Temple University

Intelligence and International Security Len Scott,R. Gerald Hughes,Martin Alexander,2013-10-31 The events of 9 11 and subsequent acts of jihadist terrorism together with the failures of intelligence agencies over Iraq's Weapons of Mass Destruction have arguably heralded a new age of intelligence For some this takes the form of a crisis of legitimacy For others the threat of cataclysmic terrorism involving chemical biological radiological or nuclear attack gives added poignancy to the academic contention that intelligence failure is inevitable Many of the challenges facing intelligence appear to be both new and deeply worrying In response intelligence has clearly taken on new forms and new agendas How these various developments are viewed depends upon the historical normative and political frameworks in which they are analysed This book addresses fundamental questions arising in this new age The central aim of the collection is to identify key issues and questions and subject them to interrogation from different methodological perspectives using internationally acclaimed experts in the field A key focus in the collection is on British and North American perspectives Recent trends and debates about the organisation and conduct of intelligence provide key themes for exploration Underpinning several contributions is the recognition that intelligence faces a conflict of ideas as much as practices and threats This book was published as a special issue of *Intelligence and National Security*

A Brief History of Afghanistan Shaista Wahab,Barry Youngerman,2007 Presents the culture and history of Afghanistan from 3 000 B C E to the present day Spetsnaz Tor Bukkvoll,2024-12-12 In January 1951 Lieutenant Evgeniy Borisov was sent to the headquarters of the Soviet 5th Army in Spassk Dalnii a small city in the Russian Far East Borisov was there on a secret mission Together with his superior Major Rusinov his job was to establish the 91st Special Forces Company The 91st was to be one of forty six similar units spread out across the Soviet Union The new forces were called spetsnaz short for spetsialnoe naznachenie which translates to special purpose In *Spetsnaz* Tor Bukkvoll presents the first in depth history of the Soviet and later Russian special operations forces from their establishment until today He focuses on three broad topics Soviet and later Russian thinking on the use of special operations forces the actual process of constructing these forces and how this was facilitated or hampered by other agencies of the Soviet and Russian states and the use of these forces in combat Bukkvoll uses a variety of sources but the most important are the recollections of former

spetsnaz soldiers and officers themselves which allow an understanding of the history of these forces as the men of spetsnaz see and have seen it Bukkvoll also draws upon observations and judgments from other parts of the Soviet and Russian militaries from a number of KGB sources and from independent Russian experts and journalists Spetsnaz is essential reading for anyone interested in special operations forces or Russian military history

Recovering the Frontier State Rasul Bux Rais, 2008-01-01 The book explores how legacies of internal strife and foreign invasions have altered the balance of social and political forces that provided some measure of stability to Afghanistan The country faces structural constraints in the way of reviving itself owing to ethnic fragmentation Taliban insurgency and shallow social roots of political power The central argument is that Afghanistan needs positive international engagement to find a new balance among its fractious social groups and build effective state and nationhood

Recovering the Frontier State Rasul Bakhsh Rais, 2008-03-20 This book examines the prospects for rebuilding state and nation in Afghanistan with regard to Operation Enduring Freedom carried out by the international coalition It starts off by delineating the conceptual basis of Afghanistan's status as a frontier state Looking at geo-strategic aspects Afghanistan's position as an historical buffer between empires and its internal characteristics - weak authority structure internal conflicts interventions by neighbors legitimacy of internal conquest and trans national ethnicities the book provides insights into the unique geo political context of Afghanistan Whilst the author deems the legacy of the previous intervention for containment as a major contributing factor to the disorder in Afghanistan's state and society he draws on lessons from the past intervention to assuage current obstacles and stalemate that is hindering political social and economic development in Afghanistan Focusing on the impediments to development in Afghanistan the background against which the problem needs to be analyzed and consequently countered is effectively set out Incessant war and insurgency has led to mobilization along ethnic and religious lines in Afghanistan and has had profound effects on the kinds of intuitions that have perpetuated over time Ethnic and religious groups have applied constant pressure on the state and this dissonance has had enduring negative consequences on nation building social cohesion and state society relationships Pre-emptive and reactive intervention by neighboring states and their links to ethnic groups inside Afghanistan is another dimension which is analyzed An extensive exploration into the geo political history of social groups of Afghanistan with an intensive account of the rise of various power contenders as a function of their history their links with external actors and their traditional position in the indigenous vertical hierarchy are made Unconventional war and counter insurgency operations funded by foreign and local elements are examined and policy guidelines for negotiations and conflict resolution are discussed The work provides fresh insights into the rise of the Taliban and adds further to the scholarly debate about the causes for the consolidation of Taliban power It traces the history of the Afghan crisis and critically evaluates the roles played by different national and international actors A major contribution of the work is the articulation of the need for an integrated nation and state building strategy which takes into account the sensitivities of the Afghanistan experience instead

of treating it like other post conflict zones

The Middle East, Abstracts and Index ,2002

The Soviet-Afghan War

Gregory Fremont-Barnes,2024-02-15 A fully illustrated overview of the USSR s bloody conflict in Afghanistan and its long legacy The Soviet invasion of its neighbour Afghanistan in December 1979 sparked a nine year conflict until Soviet forces withdrew in 1988 89 dooming the communist Afghanistan government to defeat at the hands of the mujahideen the Afghan popular resistance backed by the USA and other powers Gregory Fremont Barnes reveals how the Soviet invasion had enormous implications on the global stage it prompted the US Senate to refuse to ratify the hard won SALT II arms limitation treaty and the USA and 64 other countries boycotted the 1980 Moscow Summer Olympics For Afghanistan the invasion served to prolong the interminable civil war that pitted central government against the regions and faction against faction Updated and revised for the new edition with full colour maps and new images throughout this succinct account explains the origins events and consequences of the Soviet intervention in Afghanistan shedding new light on the more recent history and prospects of that troubled country

Embracing the Tune of Phrase: An Mental Symphony within **Superpowers Defeated A Comparison Of Vietnam And Afghanistan**

In some sort of used by monitors and the ceaseless chatter of fast conversation, the melodic splendor and mental symphony produced by the prepared word usually diminish in to the background, eclipsed by the constant noise and interruptions that permeate our lives. But, located within the pages of **Superpowers Defeated A Comparison Of Vietnam And Afghanistan** a wonderful fictional treasure full of raw feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that charming masterpiece conducts visitors on an emotional trip, well unraveling the hidden melodies and profound influence resonating within each carefully constructed phrase. Within the depths of the moving examination, we shall examine the book is central harmonies, analyze their enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Superpowers Defeated A Comparison Of Vietnam And Afghanistan Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Superpowers Defeated A Comparison Of Vietnam And Afghanistan PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to

locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Superpowers Defeated A Comparison Of Vietnam And Afghanistan PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Superpowers Defeated A Comparison Of Vietnam And Afghanistan free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Superpowers Defeated A Comparison Of Vietnam And Afghanistan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Superpowers Defeated A Comparison Of Vietnam And Afghanistan is one of the best book in our library for free trial. We provide copy of Superpowers

Defeated A Comparison Of Vietnam And Afghanistan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Superpowers Defeated A Comparison Of Vietnam And Afghanistan. Where to download Superpowers Defeated A Comparison Of Vietnam And Afghanistan online for free? Are you looking for Superpowers Defeated A Comparison Of Vietnam And Afghanistan PDF? This is definitely going to save you time and cash in something you should think about.
