MacLean, 1999 Personnel Literature ,1982 Abolishing Performance Appraisals Tom Coens, Mary Jenkins, 2002-10-12 The authors separate the five

discrete functions of appraisal coaching feedback compensation employee development and legal documentation and clarify the objectives of each They examine the atrocious track record of appraisals Federal Mandatory Workplace Posters Lee T. Paterson, 1991 Abolishing Performance Appraisals Tom Coens and Mary Jenkins, Jenkins Mary, Coens Tom, 2010-05-07 Performance appraisals are used in the overwhelming majority of workplaces Yet most organizations that use appraisal and a similar percentage of givers and receivers of appraisal are dissatisfied with the process Many are beginning to deeply question whether appraisal is necessary and consistent with the work culture espoused by progressive organizations Abolishing Performance Appraisals provides an insightful well documented look at the flaws of appraisal including its destructive unintended effects and offers practical guidance to organizations that want to move on to more progressive approaches to coaching feedback development and compensation While many books prescribe cures for appraisal this is the first to focus exclusively on eliminating appraisal altogether and creating alternative non appraisal approaches based upon progressive and healthier assumptions about people The authors expose and dispel the widely accepted myths and false assumptions that underlie common management strategies surrounding the five key functions of appraisal coaching feedback development compensation and legal documentation. They then offer step by step practical guidance on implementing alternative non appraisal strategies that deliver the objectives of each function And they suggest ways to give supervisors and managers the freedom to choose for themselves the most effective ways of working with people Filled with real life examples resources tools and detailed practical advice Abolishing Performance Appraisals is an entirely fresh and radically different view of performance appraisal and its functions that will help people start over and discover new and more effective approaches 101 Sample Write-Ups for Documenting Employee Performance Problems Paul Falcone, 2010-03-24 Whether you re addressing an initial infraction or handling termination worthy transgressions you need to be 100 percent confident that every employee encounter is clear fair and most importantly legal Thankfully HR expert Paul Falcone has provided this wide ranging resource that explains in detail the disciplinary process and provides ready to use documents that eliminate stress and second guessing about what to do and say Revised to reflect the latest developments in employment law the third edition of 101 Sample Write Ups for Documenting Employee Performance Problems includes expertly crafted easily customizable write ups that address sexual harassment absenteeism insubordination drug or alcohol abuse substandard work email and phone misuse teamwork issues managerial misconduct confidentiality breaches social media abuse and more With each sample document also including a performance improvement plan outcomes and consequences and a section of employee rebuttal it s easy to see why over 100 000 copies have already been sold making life for managers and HR personnel significantly easier when it comes to addressing employee performance issues A Supervisor's Guide to the Employee Counseling Service Program Amy C.
