Supposed To Fly A Sequence From Pilsen Czechoslovakia:

Supposed to Fly Miroslav Holub, 2001 Miroslav Holub is the Czech Republic's most important poet and one of her leading scientists. *Supposed to fly* is a highly original and entertaining gathering of poems with some prose interruptions drawn from his native city of Plzen perhaps better known for its world famous beer Pilsner 1996 Encyclopedia of Literary Translation Into English: A-L O. Classe, 2000 **A sonnet to science** Sam Illingworth, 2019-05-31 A sonnet to science presents an account of six ground breaking scientists who also wrote poetry and the effect that this had on their lives and research. How was the universal computer inspired by Lord Byron? Why was the link between malaria and mosquitos first captured in the form of a poem? Who did Humphry Davy consider to be an illiterate pirate? Written by leading science communicator and scientific poet Dr Sam Illingworth. A sonnet to science presents an aspirational account of how these two disciplines can work together and in so doing aims to inspire both current and future generations of scientists and poets that these worlds are not mutually exclusive but rather complementary in nature **Talking Verse** ,1996 **Fortnight** ,1997 **World Literature Today** ,1997 The Columbia Guide to the Literatures of Eastern Europe Since 1945 Harold B. Segel, 2003 The Iron Curtain concealed from western eyes a vital group of national and regional writers. Marked by not only geographical proximity but also by the shared experience of communism and its collapse the countries of Eastern Europe Poland Hungary Albania Romania Bulgaria and the former states of Yugoslavia Czechoslovakia and East Germany share literatures that reveal many common themes when examined together. Compiled by a leading scholar the guide includes an overview of literary trends in historical context a listing of some 700 authors by country and an A to Z section of articles on the most influential writers.

Snows of Yesteryear Ewald Osers, 2007 In the years between his arrival in England in 1938 and his next sighting of his home town Prague 27 years later Ewald Osers became one of the best known translators of European literature in the twentieth century and is also a highly regarded poet. This memoir tells of a life lived to the full in a Europe that changed beyond recognition before his very eyes **Translation Review** ,1995 Translation and Literature ,1997 Poetry Harriet Monroe, 1996 Sack AS 6- Source of Nazi Germany UFO Claims? David Myhra PhD, 2013-09-13 Much has been written about the alleged existence of Nazi flying saucers or disk shaped flying machines from World War II however despite claims of a few would be obscure former Nazi aviation designers from about mid 1947 and on there are no original first hand historical accounts or documents to support these claims. The closest aircraft to fit these descriptions is the Sack AS 6 V1 by a farmer and model builder flier Arthur Sack whose AS 6 and Sack himself disappeared completely in 1945. Enjoy reading and viewing the rare photographs about the truth about Nazi Germany's Flying Saucers *The American Humanities Index* Stephen H. Goode, 2000 Twentieth-century Eastern European Writers Steven Serafin, 2001 Essays on some of the most prominent Eastern European writers from the twentieth century from the Czech Republic Estonia Hungary Latvia Lithuania Poland Romania and Slovakia. Discusses the contributions of these authors who played a significant role in the growth

development and preservation of their respective literatures This rich and diverse literary history of Eastern Europe mirrors the depth and complexity of its social and political history **Book Review Digest** ,1999 **Reference Guide to World Literature** Tom Pendergast,2003 Covers writers from the ancient Greeks to 20th century authors Includes biographical bibliographical entries on nearly 500 writers and approximately 550 entries focusing on significant works of world literature Each author entry provides a detailed overview of the writer s life and works Work entries cover a particular piece of world literature in detail **The Oxford Companion to English Literature** Dinah Birch,2009-09-24 Written by a team of more than 150 contributors working under the direction of Dinah Birch and ranging in influence from Homer to the Mahabharata this guide provides the reader with a comprehensive coverage of all aspects of English literature **Denní služba** Miroslav Holub,2014-02-06 Denní služba 1958 je sbírka kterou Miroslav Holub po odmlení knižně debutoval a se mezi tato básnická díla která spoluvytvořila koncept tzv poezie v edně dne V profesní blízkosti mohl prostě dít v nemocnicích a v žurnalistických laboratořích ve vědecké terminologii autor nalézá civilní linku básnické promluvy i opodstatněnou svobodu po uplatnění intelektu v poezii
