Optical Illusion Masks serve for distinguishing the fabric surfaces shades.

Optical Illusion Masks are designed to fit on kits fabric surfaces but for this kit I STRONGLY recommend sanding the control surfaces smooth prior application of this mask!.

Optical Illusion Masks should be applied on satin surface. Simply apply masks and spray highly diluted darker shade of the particular aircraft camouflage colour (5% colour + 95% thinner).

Spray along the inner outline of the masks.

For step by step instructions check my website.
