

Children struggling with hunger come from families who are struggling, too.

- A family of four facing hunger may be in need of 34 additional meals a month simply because they don't have money to buy enough food.
- 84% of households Feeding America serves report buying the cheapest food — instead of healthy food — in order to provide enough to eat.
- 20% of children in households at risk of hunger may be forced to rely exclusively on charitable organizations like Feeding America to make ends meet.

The Hunger To Come

The Hunger To Come:

The Hunger to Come John Laffin, 1966 **Come with a Hunger Come with a Thirst Be Filled to Overflow** Juliet McCarter, 2020-06-17 Two of our basic physical needs as humans are for food and drink God our creator placed within us a trigger switch that lets us know that our body is hungry and or thirsty This happens in our natural bodies That same principle is operating in our spirit the part that God gave to every human This spirit has a longing that only He can completely fill Some try various things and ideologies and still come up empty but Jesus is saying Come unto me all ye that labor and are heavy laden and I will give you rest Take my yoke upon you and learn of me for I am meek and lowly in heart and ye shall find rest unto your souls Matthew 11 28 29 KJV Emphasis mine He is the only One who can supply or better yet fill that need He made you and He know all about you and still says come Come with a Hunger Come with a Thirst Be Filled to Overflow was written for people who have a need an emptiness that nothing has completely satisfied or filled It is a God induced hunger and thirst that He purposely placed in everyone Many have bumped into Him along the way not realizing at the time that He had set up the meeting He cares that much and wants to completely fill those hungry and thirsty places Matthew 5 6 states They shall be filled This narrative as I call it is not one where you must start at the beginning to get a full understanding as to what is being addressed If one chooses to start at the end or in the middle it will be okay because all of it is about the multifaceted Holy God and how He has always had a plan to give each and every one what was needed in their life and that included you If you choose not to start at the beginning you will still find His richness interwoven throughout the pages He so much wants to fill each of us with what is needed to face and live this life while enlightening others along this journey In some areas you will find it to be a devotional that day giving direction for the many changes and challenges life brings At times you may find yourself laughing as you begin to see Jesus as both man and God experiencing life as you do with its ups and downs Tears of joy may fall from time to time because your spirit is in agreement by the thoughts He has been giving to you and now it is right before your eyes Prepare to learn of some mysteries that you may have never heard before but wondered about this never ending Love story between humans and Divinity God BLESS [Kathlamet Texts](#) Franz Boas, 1901
