Can Christians Prove the Resurrection? Sandoval Chris Sandoval,Chris Sandoval,2010 Christian apologists like Josh McDowell Norman Geisler and William Lane Craig have claimed that the Resurrection of Jesus is the best proved fact of history As they tell the story the original eyewitnesses of the risen Jesus sacrificed their lives for their faith and people who knew Jesus during his lifetime would have challenged any errors in their testimony Allegedly these and many other lines of historical evidence prove the Resurrection beyond a reasonable doubt In Can Christians Prove the Resurrection the traditional Christian arguments for the Resurrection are analyzed and critiqued In reality we do not know how most of the apostles met their fates and religious sects like the Kimbanguists and Hasidic Jews have likewise proclaimed miracles and produced martyrs within the lifetimes of eyewitnesses who should have been able to set the record straight These and many other lines of evidence raise copious reasonable doubts regarding the claims of the apologists as this book demonstrates Once all the

relevant evidence is examined it becomes clear that there is little likelihood that Jesus of Nazareth arose from the dead or that the Resurrection ever took place      Judgment Day for the Shroud of Turin Walter C. McCrone, 2011-02-02 One of the most precious relics of the Catholic Church the Shroud of Turin is still believed by many to be the cloth that covered Jesus Christ in the tomb When displayed to the public the shroud becomes an international tourist attraction with interest heightening it to an eighth Wonder of the World Yet scientists led by famed microanalyst Dr Walter McCrone have proved the shroud to be a fake a medieval painting that can be easily duplicated today using the simplest of materials The painstaking investigation that led McCrone to this historic discovery is recounted here in Judgment Day for the Shroud of Turin one of only two books to scientifically and fully discount the shroud story Upon close examination even leading members of the Catholic Church had to agree with McCrone's findings which gained international attention when featured on the A E Television Network Told in fascinating detail with all the intrigue of a good mystery novel McCrone's memoir is a lasting contribution to shroud study one that occupied more than twenty years of the author's life      **The Templars** Michael Haag, 2010-07-09 An order of warrior monks founded to protect pilgrims to Jerusalem the Templars were among the wealthiest and most powerful bodies in the medieval world Yet two centuries later they were arrested accused of blasphemy heresy and orgies and their leaders were burnt at the stake Part guide part history this book investigates the Templar legends and legacy from the mysteries of Solomon's Temple in Jerusalem via nineteenth century development of the Freemasons through to Templar appearances in Dan Brown and Indiana Jones This book explains the whole context of Templar history including the recent evidence discovered by the Vatican that the Templars were not guilty of heresy It also features a guide to Templar castles and sites
