The Impact Of Context On Content In Matthew:

The Impact of Context on Content in Matthew Arlo J. Nau, 2000-12 Most commentaries on the Gospel of Matthew focus on its Jewishness By contrast Nau takes a fresh look at Matthew from the perspective of its widely accepted origin in Syrian Antioch fifty years after the death of Christ Some of his exegetical insights are truly revolutionary **Matthew Warren Carter**, 1968-02-01 For ten years the well received first edition of this introduction offered readers a way to look at scriptural texts that combines historical narrative and contemporary interests Carter explores Matthew by approaching it from the perspective of the authorial audience by identifying with and reading along with the audience imagined by the author Now an updated second edition is available as part of a series focusing on each of the gospel writers as storyteller interpreter and evangelist This edition preserves the essential identity of the original material while adding new insights from Carter's more recent readings of Matthew's gospel in relation to the Roman Imperial world Four of the seventeen chapters have been significantly revised and most have had minor changes There are also new endnotes directing readers to Carter's more recent published work on Matthew Scholars and pastors will use the full bibliography and appendix on redaction and narrative approaches while lay readers will appreciate the clear and straightforward text [The Matthew Commentary Collection](#) Michael J. Wilkins, Grant R. Osborne, Scot McKnight, 2016-06-07 This all in one commentary bundle on the book of Matthew features volumes from the NIV Application Commentary Series Zondervan Exegetical Commentary Series and Story of God Bible Commentary Series Each volume provides new and unique insights from leading biblical scholars Michael Wilkins Grant Osborne and Scot McKnight The unique features from each volume along with the diverse insights provided by the authors gives you all the tools you need to study and master the book of Matthew *Matthew's New David at the End of Exile* Nicholas G. Piotrowski, 2016-09-07 Matthew crowds more Old Testament quotations and allusions into the prologue than anywhere else in his gospel In this volume Nicholas G Piotrowski demonstrates the narratological and rhetorical effects of such frontloading Particularly seven formula quotations constellate to establish a redemptive historical setting inside of which the rest of the narrative operates This setting is defined by Old Testament expectations for David's great son to end Israel's exile and rule the nations Piotrowski contends that the rhetorical effect of this intertextual storytelling was to provide the Matthean community with an identity in a contentious atmosphere in terms of God's historical design for the ages now fulfilled in Jesus and his followers **Isaiah's Christ in Matthew's Gospel** Richard Beaton, 2002-11-14 Matthew's Jesus is typically described as the humble compassionate messiah This 2002 book argues that this is however only half the story Matthew's theologically rich quotation of Isaiah 42:1-4 traditionally considered one of the four servant songs underscores that manifest in Jesus powerful message and deeds particularly his healings and inclusion of the marginalized is the justice that was thought to accompany the arrival of the kingdom of God The study explores modifications to the text form of the Isaianic citations their relationship to the surrounding context and the rhetorical force of the final form It argues that the

quotations are bi referential functioning on both a narrative and theological level and also explores the issues surrounding the troublesome extraneous content It arrives at the conclusion that this citation was central to Matthew s understanding of Jesus life and mission All totalled this study offers a refreshing exploration of Matthew s high ethical Christology Marked Quotations from Psalms in the Gospel of Matthew Piotr Herok,2023-12-04 There are five marked quotations from Psalms in the Gospel of Matthew These are 1 Ps 91 1 12 in Matt 4 6 2 Ps 78 2 in Matt 13 35 3 Ps 8 3 in Matt 21 16 4 Ps 118 22 23 in Matt 21 42 and 5 Ps 110 1 in Matt 22 44 Piotr Herok argues that the investigated texts are related to each other not only by the presence of the introductory formulas making clear that a given citation comes from Scripture but also through mutual thematic convergence concerning in various degrees king David the temple and the theme of Jesus identity Thanks to the new literary context in which the quotations are embedded Matthew reinterprets them significantly while giving them a new dimension clearly distinguishing them from the rest of the psalm quotations found in his work This aims at presenting Jesus as not only the Son of David but first of all the Son of God *Matthew 21-28* Ulrich Luz,1992-01-01 There is nothing else in English that compares with Luz s commentary it is the best James M RobinsonThis volume is a joy to read Schuyler BrownIt is an outstanding commentary the first to use the Wirkungsge schichte the understanding of the text throughout the centuries to interpret the text itself Eduard Schweizer **Experiencing Irony in the First Gospel** Karl McDaniel,2013-08-29 The Gospel of Matthew is both deliberately deceptive and emotionally compelling Karl McDaniel explores ways in which the narrative of the Gospel of Matthew elicits and develops the emotions of suspense surprise and curiosity within its readers While Matthew 1 21 invites readers to expect Jewish salvation progressive failure of the plot s main characters to meet Jesus salvation requirements creates increasing suspense for the reader How will Jesus save his people The commission to the Gentiles at the Gospel s conclusion provokes reader surprise and the resulting curiosity calls readers back to the narrative s beginning Upon rereading with a retrospective view readers discover that the Gentile mission was actually foreshadowed throughout the narrative even from its beginning and they are invited to partake in Jesus final commission *Oral Transmission and the Dream Narratives of Matthew 1-2* Alistair N. Shaw,2019-10-10 The first Gospel has traditionally been considered a very Jewish work Recent scholarship has suggested some Hellenistic influence The issue is explored in this work with attention focused on the dream narratives of the first two chapters An investigation is carried out using a new methodology The memory techniques used in an oral or semi literate society are explored A search is made for such techniques in Matthew and these are then compared with similar devices in a wide range of literature Old Testament contemporary Jewish Greek and Roman The intention is that literary practice should help to clarify the cultural setting in which Matthew functions This is a work which will interest New Testament scholars with a focus on Gospel studies and oral transmission It may also appeal to some classical scholars or those with a specialized interest in Josephus **The Oxford Handbook of Empirical Aesthetics** Marcos Nadal,Oshin Vartanian,2022 The Oxford Handbook of Empirical

Aesthetics provides the most comprehensive coverage of the domain of empirical aesthetics to date With sections on visual art dance music and other art forms the breadth of this volume reflects the richness and variety of topics and methods used by scientists to understand the way human beings appreciate art

God's Wise Man Leon E. Library Career Management in the Digital Age Katarina Michnik, 2024-06-18 There is currently an absence of an organization model which can be used as an aid to describing and discussing career development This book will fill this gap by presenting a new model the Librarian Career Management Tool that can be used to identify and structure possible opportunities and challenges to the career development of academic librarians in the digital age The career development of academic librarians follows different paths There are different kinds of career guidance resources targeting librarians and students in Library and Information Science and the prerequisites for career development may differ between academic libraries Because of this heterogeneity in the field there is a need for a theoretical and practical tool the Librarian Career Management Tool which distils variation down to fundamental principles which people can then work with The tool collates all possible career paths into a taxonomy of influencing factors and natural relationships between these factors for the digital librarian context The advantage of modelling these distinct patterns is to enable informed and far sighted decisions on the motivations for the next steps in an individual's career It also enables key trends in digital information management to be better understood Helps academic library managers to identify and structure the opportunities and challenges that their employees face in the digital age Helpful for early career academic librarians to identify and structure their motivations and what they want to achieve as librarians Ideal for educators in higher education within LIS as a resource for use in teaching about the prerequisites for and characteristics of career development of academic librarians

Synoptic Studies Christopher M. Tuckett, 2015-01-29 The essays in this collection edited by Christopher M Tuckett are taken from two conferences held at Ampleforth Abbey in 1982 and 1983 The discussion at these conferences centred on the issue of the Synoptic Problem and special consideration was given to a critique of the two document hypothesis or the idea that the chronological ordering of Luke and Matthew after Mark enabled the two former to draw on the latter and in addition a document entitled Q This established idea has since been challenged with new arguments suggesting that in fact Matthew originated first and Mark was reliant on Matthew for its source material This discussion has since been continued and while no definitive answer can be offered this collection of essays promises a fascinating view of the issues that have arisen and the

attempts to reconcile and understand the Synoptic Problem **What are They Saying about Matthew's Sermon on the Mount?** Warren Carter, 1994 What Are They Saying About Matthew's Sermon on the Mount is an excellent summary of the contemporary scholarship on the Sermon on the Mount from the past thirty years Author Warren Carter has selected the historical source and redaction critical studies by biblical scholars as well as ethical reflections considered most important over the past three decades He begins most appropriately with the sources of the sermon moves on to its structure and then looks at the situation of Matthew's readers He next analyzes the content of the sermon together with the Lord's Prayer Finally he considers the ethical claims of the sermon especially issues of interpreting the sermon for contemporary faith communities This is an essential resource for everyone interested in understanding the Sermon on the Mount **The Intention of Matthew 23** David E. Lundberg, Cheri Ann Young, 2005 Most books about research address the how to of inquiry rather than the why Foundations for Inquiry enlightens readers about the variety of philosophic assumptions regarding inquiry and organizational phenomena demonstrates how these assumptions shape subsequent choices about theories and shows how theoretical and philosophic choices consequently shape and guide the research process **The Irony of Power** Dorothy Jean Weaver, 2017-06-21 This volume engages the Gospel of Matthew in full awareness of its inherently political character Weaver situates Matthew's version of the good news of the kingdom squarely within the real world of first century Palestine and its occupying power the Roman Empire The essays here focus prominently and collectively on the issues of power and violence that not only pervade the historically occupied Jewish community of first century Palestine but also are clearly visible throughout Matthew's narrative account A lower level reading of the Matthean text offers a bleak portrait of the overwhelming power and violence exerted by the Roman occupying authorities and their upper echelon Jewish collaborators against the wider Jewish community of first

century Palestine But an upper level God's eye reading of Matthew's narrative consistently reveals the fundamental irony at the heart of the New Testament as a whole of the Jesus story broadly conceived and of Matthew's narrative account in specific This irony overturns all humanly recognized definitions of power and demonstrates the astonishing politics of God which defeats evident power through apparent powerlessness and overcomes violence through nonviolent initiatives
