Baker, 2014-05-01 Written by a former Roman Catholic of eighteen years and former candidate for the Roman Catholic priesthood Dr Todd Baker objectively and honestly examines the grandiose claims of the Papacy and the Roman Catholic Church in the critical light of Scripture and the evidence of history to show where Rome has greatly erred This multi volume work provides a controversial overview on the basic doctrines distinctive of Roman Catholicism so the open Catholic can learn how these beliefs practices and traditions of Rome contradict Scripture and do not have the support of a consistent uniform history from the days of

Jesus the apostles and the first three centuries of the early church and on With over 1 billion adherents to the Roman Catholic Church it is incumbent for the Bible believer to know the difference between the real Gospel of Scripture versus the Gospel of Rome and how they are not one and the same Gospel in the end In a day of man pleasing ecumenical compromise with Rome this book is sorely needed to remind the Protestant church that the real differences between Rome and the Bible have not changed since the Reformation and must be reiterated and defended today on the exclusive ground of Scripture alone being the supreme authority in faith and practice for every Christian believer Dr Todd D Baker is president of Brit Hadashah Ministries and Pastor of Shalom Shalom Messianic Congregation in Dallas Texas He holds a Bachelor of Science degree in biblical studies a Master of Theology degree from Dallas Theological Seminary and a Ph D in Philosophy and Apologetics from Trinity Seminary under the auspices of Liverpool University at Liverpool England He is the staff theologian and writer for Zola Levitt Ministries and has appeared on the television program Zola Levitt Presents several times With his extensive experience in Jewish evangelism he conducts Gospel outreaches to Israel three times a year

Polhill,1999 Except for Christ himself no figure has been more influential in the history of Christianity than the apostle Paul And yet his remarkable life remains shrouded in mystery In this probing new book John B Polhill scrapes away the myths about this great man and uncovers the truth of his life and thought Using Acts the Pauline epistles and reliable traditions from non canonical sources Polhill weaves together the remarkable story of Paul s transformation from persecutor to persecuted producing a dynamic account of his entire ministry By placing each of Paul s letters in its proper historical context Polhill brings new light to these foundation stones of the Christian faith He follows Paul from his early years in Tarsus and Jerusalem to his imprisonment and eventual martyrdom painting a detailed comprehensive portrait of Paul that will serve as an indispensable resource for students teachers and pastors alike *Armenian Christology and Evangelization of Islam* Hagop A. Robert Nelson,2017-06-21 Scarcely any concept of Christian doctrine in the present time stands so greatly in need of clarification from the ground up as that of the Church It is a fact to be welcomed that Mr Nelson has ventured to fix his eyes upon the problem of the Church from both sides namely from that of historical Biblical research and that of theological reflection Essentially this book is a circumspect and deliberate presentation of those previously produced writings which have worked out the questions sharply and taken a critical position towards the results Therefore it will be welcomed by all those who are participating in ecumenical discussions as a comprehensive survey of the whole area of contemporary study of the Church doing justice to both Anglo Saxon and Continental European research From Foreword **Talking with Catholics about the Gospel** Christopher A.
