Managing Knowledge Networks J. David Johnson, 2009-10 The information context of the modern organization is rapidly evolving in the face of intense global competition Information technologies including databases new telecommunications systems and software for synthesizing information make a vast array of information available to an ever expanding number of organizational members Management's exclusive control over knowledge is steadily declining in part because of the downsizing of organizations and the decline of the number of layers in an organizational hierarchy These trends as well as issues surrounding the Web 2.0 and social networking mean that it is increasingly important that we understand how informal knowledge networks impact the generation capturing storing dissemination and application of knowledge This innovative book provides a thorough analysis of knowledge networks focusing on how relationships contribute to the creation of knowledge its distribution within organizations how it is diffused and transferred and how people find it and share it collaboratively

Knowledge Management Handbook Jay Liebowitz, 1999-02-25 Many organizations are now realizing that their competitive edge lies mostly in the brainpower the intellectual capital of their employees and management To stay ahead of the pack companies

must leverage their knowledge internally and externally But it is not enough to develop lessons learned databases Experts now believe the current savior of organizations is knowledge management the conceptualization review consolidation and action phases of creating securing combining coordinating and retrieving knowledge in short the process of creating value from an organization s intangible assets Jay Liebowitz one of the leading knowledge management and expert systems authorities in the world brings together over thirty articles contributed by the top researchers and practitioners to produce what seems destined to become the key reference for this emerging field With it you will find How to create a knowledge sharing environment How senior executives can show tangible benefits using methods that value the intellectual capital especially the human capital within the organization How knowledge management is not the same as information management How senior management commitment and involvement are essential to the success of a knowledge management system *The Knowledge Management Yearbook 2000-2001* John A. Woods,James Cortada,2013-05-13 The Knowledge Management Yearbook is the most current and comprehensive resource available for knowledge management professionals no other source of information so thoroughly surveys the state of the knowledge management discipline and industry and how they impact businesses and other organizations Featuring both definitive articles and cutting edge knowledge management techniques and research contributed by authorities The Knowledge Management Yearbook covers the nature of knowledge and its management knowledge based strategies knowledge management and organizational learning and knowledge tools techniques and processes The reference section includes a set of up to date directories detailing on line knowledge management resources KM publications and organizations and notable KM Quotes The glossary of KM terms is increasingly perceived by the industry as a benchmark by which this evolving discipline is defined The Knowledge Management Yearbook is an indispensable volume for any professional helping to shape his or her organization s knowledge strategy *Knowledge Management* Morgen MacIntosh,Taverekere Srikantaiah,2000 Here is the first comprehensive reference to the literature available for the individual interested in KM featuring citations to over 1 500 published articles 150 Web sites and more than 400 books Organized by topic area this is a natural companion volume to Knowledge Management for the Information Professional and an important tool for anyone charged with contributing to or managing an organization s intellectual assets *Handbook on Decision Support Systems 1* Frada Burstein,Clyde W.
