**The Interdisciplinary Study of Politics** Monte Palmer, Larry Stern, Charles Gaile, 1974      The Palgrave Encyclopedia of Interest Groups, Lobbying and Public Affairs Phil Harris, Alberto Bitonti, Craig S. Fleisher, Anne Skorkjær Binderkrantz, 2022-06-20 The growing need for a concise and comprehensive overview of the world of interest groups lobbying and public affairs called for a compendium of existing research key theories concepts and case studies This project is the first transnational encyclopedia to offer such an interdisciplinary and wide overview of these topics including perspectives on public relations crisis management communication studies as well as political science political marketing and policy studies It is an interdisciplinary work which involved an extraordinary pool of contributors made up of leading scholars and practitioners from all around the globe it is a live and evolving project focused on drawing together grounded international knowledge for our diverse and developing world The 200 entries of the Palgrave Encyclopedia of Interest Groups Lobbying and Public Affairs to be found as a live reference work online here and in two print volumes in 2022 address these research avenues tackling a growing demand for a comprehensive international reference work regarding key global sectors and policymaking structures looking beyond the traditional markets of Europe and North America to incorporate practice and research from Asia Africa Oceania and Latin America This encyclopedia acts as a synthesis of existing research and aims to aid academics students and practitioners navigate their relevant fields around the globe      **The Interdisciplinary Study of Politics [By] Monte Palmer, Larry Stern [And] Charles Gaile** Monte Palmer, Charles Gaile, Larry Stern, 1974      *Strange Power* Thomas Lawton, James Rosenau, Amy Verdun, 2018-02-06 This title was first published in 2000 Focusing on the contribution of Susan Strange to the study of international political economy this collection forms a unique perspective on the global economy whilst providing tools for the reader to better understand that economic system The book examines Susan Strange s structural power theories whilst adding the perspective of the contributor The combination of approaches and experience provides a multifaceted analysis of international relations and international political economy      The Politics of Principle Theunis Roux, 2013-03-28 Uses a single country case study to enrich research on the role of constitutional courts in new democracies      **Research Handbook on the Law and Politics of Migration** Catherine Dauvergne, 2021-04-30 As the law and politics of migration become increasingly intertwined this thought provoking Research Handbook addresses the challenge of analysing their growing relationship Discussing the evolving theoretical approaches to migration it explores the growing attention given to the legal frameworks for migration and the expansion of regulation as migration moves to the centre of the political global agenda The Research Handbook demonstrates that the overlap between law and politics puts the rule of law at risk in matters of migration      *The Study of Politics and Education* , 1980      **Politics and Kinship** Erdmute Alber, Tatjana Thelen, 2021-12-15 Politics and Kinship A Reader offers a unique overview of the entanglement of these two categories in both theoretical debates and everyday

practices The two despite many challenges are often thought to have become separated during the process of modernisation Tracing how this notion of separation becomes idealised and translated into various contexts this book sheds light on its epistemological limitations Combining otherwise distinct lines of discussion within political anthropology and kinship studies the selection of texts covers a broad range of intersecting topics that range from military strategy DNA testing and child fostering to practices of kinning the state Beginning with the study of politics the first part of this volume looks at how its separation from kinship came to be considered a modern phenomenon with significant consequences The second part starts from kinship showing how it was made into a separate and apolitical field an idea that would soon travel and be translated globally into policies The third part turns to reproductions through various transmissions and future making projects Overall the volume offers a fundamental critique of the epistemological separation of politics and kinship and its shortcomings for teaching and research Featuring contributions from a broad range of regional temporal and theoretical backgrounds it allows for critical engagement with knowledge production about the entanglement of politics and kinship The different traditions and contemporary approaches represented make this book an essential resource for researchers instructors and students of anthropology
