The International Boundaries Of Nigeria 1885-1960 The Framework Of An Emergent African Nation:

The International Boundaries of Nigeria, 1885-1960 Joseph C. Anene, 1970 *The International Boundaries of Nigeria 1885-1960*, 1970 *The international boundaries of Nigeria, 1885-1960* Joseph Christopher Anene, 1960 *Africa Under Colonial Domination 1880-1935* Unesco. International Scientific Committee for the Drafting of a General History of Africa, 1985 Africa was partitioned and colonized by the Europeans After military conquest came the commercial exploitation of the wealth of Africa The intensity of resistance to colonization varied from one region to another but a new economic and social system linked with colonization was put in place bringing about unprecedented demographic and political change

Publisher's description **International Frontiers and Boundaries** Victor Prescott, Gillian D. Triggs, 2008-07-31

International frontiers and boundaries separate land rivers and lakes subject to different sovereignties Frontiers are zones of varying widths and they were common many centuries ago By 1900 frontiers had almost disappeared and had been replaced by boundaries that are lines The divisive nature of frontiers and boundaries has formed the focus of inter disciplinary studies by economists geographers historians lawyers and political scientists Scholars from these disciplines have produced a rich literature dealing with frontiers and boundaries The authors surveyed this extensive literature and the introduction reveals the themes which have attracted most attention Following the introduction the book falls into three sections The first section deals systematically with frontiers boundary evolution and boundary disputes The second section considers aspects of international law related to boundaries It includes chapters dealing with international law and territorial boundaries maps as evidence of international boundaries and river boundaries and international law The third section consists of seven regional chapters that examine the evolution of boundaries in the Americas the Middle East Africa Asia Europe islands off Southeast Asia and Antarctica

Boundaries and History in Africa Daniel Abwa, Albert-Pascal Temgoua, 2013-08-26 This book comprises 26 well researched essays in honour of Professor Verkijika G Fanson who retired in 2011 after over 36 years of distinguished service at universities in Cameroon Contributors include colleagues former students and close collaborators in Cameroon and beyond Contributions cover a wide range of issues related to the contested histories politics and practices of boundaries and frontiers in Africa These are themes on which Fanson has researched published and taught extensively and earned international recognition as a leading scholar The book explores inter alia indigenous and endogenous practices of boundary making in Africa as well as colonial and contemporary traditions practices and conflicts on and around frontiers In particular focus are disputed colonial boundaries between Cameroon and its neighbours Issues of intra and inter disciplinary frontiers politics and cultures are also addressed The volume is crowned by a farewell valedictory lecture by Fanson Like Fanson and his rich repertoire of publications this bumper harvest of essays is without doubt truly immortalising

Exploring African approaches to international law: Essays in honour of Kéba Mbaye Frans Viljoen, Humphrey Sipalla, Foluso Adegale, 2022-10-04 It is unfortunate that the idea that Africa contributes to international law and has always

done so remains in 2022 largely a side note an auxiliary approach rather than something widely accepted and deeply entrenched It is cause for pause that this is also true in Africa itself Exploring African approaches to international law Essays in honour of K ba Mbaye is a volume of essays that aims to contribute to a larger effort of imagining what possible approaches to international law Africa has adopted in the decades since the 1960s It also recognises the legacy of the great Senegalese jurist K ba Mbaye Edited by Frans Viljoen Humphrey Sipalla and Foluso Adegalu the volume is divided into five broad thematic parts and comprises eleven chapters It covers the following themes K ba Mbaye in African approaches to international law international legal theory international human rights law international environmental and criminal law and teaching of international law This publication finds its origins in the 2017 Roundtable on African approaches to international law held at the Centre for Human Rights University of Pretoria The explorations at the Roundtable on the concept of an African approach to international law were taken further at the K ba Mbaye Conference on African approaches to international law held at the Senate Hall University of Pretoria in December 2018 This conference brought together around 80 students academics and members of civil society to address the many questions left unanswered by the death of Judge Mbaye arguably Africa s greatest international law jurist of his generation It provided a forum to continue discussions on African approaches to international human rights law building on but rethinking and vernacularising the Third World Approaches to International Law TWAIL approach The contributions to this publication flow from papers presented at the conference However the reflections in the book extend beyond K ba Mbaye as central figure The result is a broad treatment of various aspects of African approaches to international law by thirteen authors and co authors covering a wide range of generational geographic and thematic backgrounds and perspectives

Nigeria, Nationalism, and Writing History

Toyin Falola, Saheed Aderinto, 2010 The second half of the 20th century saw the publication of massive amounts of literature on Nigeria by Nigerian and non Nigerian historians This volume reflects on that literature focusing on those works by Nigerians in the context of the rise and the decline of African nationalist historiography

Border Jumping and Migration Control in Southern Africa Francis Musoni, 2020-04-07 With the end of apartheid rule in South Africa and the ongoing economic crisis in Zimbabwe the border between these Southern African countries has become one of the busiest inland ports of entry in the world As border crossers wait for clearance crime violence and illegal entries have become rampant Francis Musoni observes that border jumping has become a way of life for many of those who live on

both sides of the Limpopo River and he explores the reasons for this including searches for better paying jobs and access to food and clothing at affordable prices Musoni sets these actions into a framework of illegality He considers how countries have failed to secure their borders why passports are denied to travelers and how border jumping has become a phenomenon with a long history especially in Africa Musoni emphasizes cross border travelers active participation in the making of this history and how clandestine mobility has presented opportunity and creative possibilities for those who are willing to take the risk **Africa** Army Library (U.S.),1973 **A History of Borno** Vincent Hiribarren,2017-02-17 A history of an ancient Sahelian kingdom whose hinterland is now being laid waste by the Boko Haram insurgency

Hausaland Divided William F. S. Miles,2015-07-09 How have different forms of colonialism shaped societies and their politics William F S Miles focuses on the Hausa speaking people of West Africa whose land is still split by an arbitrary boundary established by Great Britain and France at the turn of the century **African Borders, Conflict, Regional and Continental Integration** Inocent Moyo,Christopher Changwe Nshimbi,2019-04-25 This book looks at the ways African borders impact war and conflict as well as the ways continental integration could contribute towards cooperation peace and well being in Africa African borders or borderlands can be a source of problems and opportunity There is often a historical geospatial and geopolitical architecture rooted in trajectories of war conflict and instability which could be transformed into those of peace regional and continental integration and development An example is the cross border and regional response to the Boko Haram insurgency in West Africa This book engages with cross border forms of cooperation and opportunity in

Africa It considers initiatives and innovations which can be put in place or are already being employed on the ground within the current regional and continental integration projects Another important element is that of cross border informality which similarly provides a ready resource that if properly harnessed and regulated could unleash the development potential of African borders and borderlands Students and scholars within Geography International Relations and Border Studies will find this book useful It will also benefit civil society practitioners policymakers and activists in the NGO sector interested in issues such as migration social cohesion citizenship and local development *Routledge Library Editions: Political Geography* Various, 2021-06-23 From votes to strikes to street violence politics is intrinsically geographical Many of the books in this set originally published between 1964 and 1990 illustrate that the social contexts provided by localities are crucial in defining distinctive political identities and subsequent political activities
