Adventures of Vivi and Vera Dung Kai-cheung (鄧凱騷),2018-06-06 Award winning author Dung Kai cheung weaves together two inventive narratives in this remarkable book One is the story of a novelist who recounts his family s history against the backdrop of Hong Kong s development from the 1930s to the 1990s Dung builds this story through vignettes about the protagonist s relationship with technological inventions that shaped his life as glimpsed through his uncertain memory and family myths Running parallel to this is a rebellion by the novelist s oppressed fictional characters who attempt to break the yoke of servile obedience laid upon them by the conventions of novel writing The central character Vivi has been written into being by the author and once created she seems to take on a life of her own and moves from being fabricated to being real even bravely undertaking the journey to meet her creator the novelist in the real world Fantasy and realism combine to suggest that crossing boundaries is inherent part of our nature Dung Kai cheung is the most important writer of contemporary Hong Kong Since the end of the last century his work has constituted an alternative history of Hong Kong the city s splendor and dilemma its fantastic metamorphoses and uncanny fate The History of the Adventures of Vivi and Vera represents Dung at his best The novel chronicles the changes and continuities of Hong Kong in the final decades of colonial rule and projects a futuristic vision in which postcolonial nostalgia meets postmodernist fantasia and family romance begets science fantasy Above all Dung seeks to inscribe Hong Kong as fiction and celebrate the power of creativity that is Hong Kong David Der wei Wang Edward C Henderson Professor of Chinese Literature at Harvard University Dung Kai cheung is Hong Kong s most prolific and innovative contemporary novelist His work is at once playful and challenging brilliant and imaginative and filled with a sense of mystery and discovery The first volume in Dung s acclaimed Natural History trilogy The History of the Adventures of Vivi and Vera is nothing short of a qishu or book of wonder Freely navigating different times and spaces people and objects autobiographies and fictions Dung Kai cheung has written a new allegory for our troubled times Michael Berry Professor of Contemporary Chinese Cultural Studies at UCLA author of *Speaking in Images* and *A History of Pain* Forthcoming Books Rose Army,2000 **Illustrated History of Lowell and Vicinity** ,1897 **Stolen Legacy. Illustrated** George G. M. James,2021-05-28 George Granville Monah James introduced the original and rather scandalous theory that the ancient Greeks borrowed their philosophical ideas from the Egyptians In the book *Stolen Legacy* James claims that Aristotle s ideas originated from books that were stolen when Alexander the Great looted the library in Alexandria James refers to Greek sources such as Herodotus who described Greece s cultural debt to Egypt He also mentions prominent Greek philosophers such as Pythagoras and Plato who are said to have studied in Egypt For example he attributes the use of the

term atom which means an indivisible particle as having originated from the name of the Egyptian deity Atum a god who symbolizes completeness and indivisibility The book further draws from masonic writings to support his claim that Greco Roman mystical religion originates from the Egyptian mystical system **As Night Falls** Avner Wishnitzer,2021-07-01 In a world that is constantly awake illuminated and exposed there is much to gain from looking into the darkness of times past This fascinating and vivid picture of nocturnal life in Middle Eastern cities shows that the night in the eighteenth century Ottoman Empire created unique conditions for economic criminal political devotional and leisurely pursuits that were hardly possible during the day Offering the possibility of livelihood and brotherhood pleasure and refuge the darkness allowed confiding hiding and conspiring activities which had far reaching consequences on Ottoman state and society in the early modern period Instead of dismissing the night as merely a dark corridor between days **As Night Falls** demonstrates how fundamental these nocturnal hours have been in shaping the major social cultural and political processes in the early modern Middle East **Scribner's Monthly, an Illustrated Magazine for the People** ,1883 *Zondervan Illustrated Bible Backgrounds Commentary* John H. desert when it was recovered in the nineteenth century The poem had to be reassembled its languages deciphered The discovery of a pre Noah flood story was front page news on both sides of the Atlantic and the poem's allure only continues to grow as additional cuneiform tablets come to light Its translation interpretation and integration are ongoing In this illuminating book Schmidt discusses the special fascination Gilgamesh holds for contemporary poets arguing that part of its appeal is its captivating otherness He reflects on the work of leading poets such as Charles Olson Louis Zukofsky and Yusef Komunyakaa whose own encounters with the poem are revelatory and he reads its many translations and editions to bring it vividly to life for readers Publisher's website
