The Impact Of Art On French Literature From Scudery To Proust:

The Impact of Art on French Literature Helen Osterman Borowitz, 1985 This book traces a direct line of tradition that unites the French précieux novel Romantic and Symbolist literature and Proust's novel cycle **Art in Literature, Literature in Art in 19th Century France** Emilie Sitzia, 2011-12-08 The traditional relationship between painting and literature underwent a profound change in nineteenth century France Painting progressively asserted its independence from literature as it liberated itself from narrative obligations whilst interrogating the concept of subject matter itself Simultaneously the influence of art on the writing styles of authors increased and the character of the artist established itself as a recurring motif in French literature This book offers a panoramic review of the relationship between art and literature in nineteenth century France By means of a series of case studies chosen from key moments throughout the nineteenth century the aim of this study is to provide a focused analysis of specific examples of this relationship revealing both its multifaceted nature as well as offering a panorama of the development of this on going and increasingly complex cultural relationship From Jacques Louis David's irreverence for classical texts to Victor Hugo's graphic works from Edouard Manet's illustrations to Vincent Van Gogh's paintings of books from Honor de Balzac's Unknown Masterpiece to Joris Karl Huysmans's A Rebours this interdisciplinary investigation of the links between literature and art in France throws new light on both fields of creative endeavour during a critical phase of France's cultural history Poétique Des Tableaux Chez Proust Et Matisse Martine Blanche, 1996 The Sublime Artist's Studio Gavriel Shapiro, 2009-06-02 The relation of the visual arts to Vladimir Nabokov's work is the subject of this in depth and detailed study of one of the most significant facets of this modern master's oeuvre
