The Aesthetic Pleasures of Girl Teen Film Samantha Colling, 2017-07-27 What is fun about the Hollywood version of girlhood Through re evaluating notions of pleasure and fun The Aesthetic Pleasures of Girl Teen Film forms a study of Hollywood girl teen films between 2000 2010 By tracing the aesthetic connections between films such as Mean Girls Waters 2004 Hairspray Shankman 2007 and Easy A Gluck 2010 the book articulates the specific types of pleasure these films offer as a means to understand how Hollywood creates gendered ideas of fun Rather than condemn these films as guilty pleasures this book sets out to understand how they are designed to create experiences that feel as though they express desires memories or fantasies that girls supposedly share in common Providing a practical model for a new approach to cinematic pleasures The Aesthetic Pleasures of Girl Teen Film proposes that these films offer a limited version of girlhood that feels like potential and promise but is restricted within prescribed parameters

Witchcraft Dialogues George C. Bond, Diane M. Ciekawy, 2001 Witchcraft Dialogues analyzes the complex manner in which human beings construct experience and think about the occult It brings together anthropologists philosophers and sociologists from diverse social and cultural backgrounds to engage the metaphysical properties of witchcraft and sorcery and to explore their manifestations in people s lived experiences While many Africanist scholars shun the analysis of witchcraft as an appropriate domain of investigation the experiences thoughts activities and powers that witchcraft encompasses have become increasingly the source of interest

and debate Concepts of witchcraft and the phenomena to which they are applied express something fundamental to the human condition and have their equation in the logic of other human practices such as racism and its various crafts Thus the focus on witchcraft is not just a concern with the occult but a manifestation of the convergence of interest in mediating and transcending disciplinary domains The contributors to this volume embrace the challenge of exploring witchcraft as a mode of experiencing and explaining human circumstances as well as confronting the limitations of their own intellectual traditions and paradigms The range of their explorations takes us in new directions making use not only of their academic training but also of their personal experiences to reframe the conceptual terrain of the occult and the epistemological orientations of their various academic fields of inquiry

Shelter in Place Nora Roberts, 2018-05-29 From Nora Roberts comes the 1 New York Times bestseller *Shelter in Place* June 2018 a powerful tale of heart heroism and propulsive suspense It was a typical evening at a mall outside Portland Maine Three teenage friends waited for the movie to start A boy flirted with the girl selling sunglasses Mothers and children shopped together and the manager at video game store tended to customers Then the shooters arrived The chaos and carnage lasted only eight minutes before the killers were taken down But for those who lived through it the effects would last forever In the years that followed one would dedicate himself to a law enforcement career Another would close herself off trying to bury the memory of huddling in a ladies room helplessly clutching her cell phone until she finally found a way to pour her emotions into her art But one person wasn't

satisfied with the shockingly high death toll at the DownEast Mall And as the survivors slowly heal find shelter and rebuild they will discover that another conspirator is lying in wait and this time there might be nowhere safe to hide Year One Nora Roberts, 2017-12-05 1 NEW YORK TIMES BESTSELLER December 2017 A stunning new novel from the 1 New York Times bestselling author Nora Roberts Year One is an epic of hope and horror chaos and magick and a journey that will unite a desperate group of people to fight the battle of their lives It began on New Year s Eve The sickness came on suddenly and spread quickly The fear spread even faster Within weeks everything people counted on began to fail them The electrical grid sputtered law and government collapsed and more than half of the world s population was decimated Where there had been order there was now chaos And as the power of science and technology receded magick rose up in its place Some of it is good like the witchcraft worked by Lana Bingham practicing in the loft apartment she shares with her lover Max Some of it is unimaginably evil and it can lurk anywhere around a corner in fetid tunnels beneath the river or in the ones you know and love the most As word spreads that neither the immune nor the gifted are safe from the authorities who patrol the ravaged streets and with nothing left to count on but each other Lana and Max make their way out of a wrecked New York City At the same time other travelers are heading west too into a new frontier Chuck a tech genius trying to hack his way through a world gone offline Arlys a journalist who has lost her audience but uses pen and paper to record the truth Fred her young colleague possessed of burgeoning abilities and an optimism that seems out of place in this bleak landscape And Rachel and Jonah a resourceful doctor and a paramedic who fend off despair with their determination to keep a young mother and three infants in their care alive In a world of survivors where every stranger encountered could be either a savage or a savior none of them knows exactly where they are heading or why But a purpose awaits them that will shape their lives and the lives of all those who remain The end has come The beginning comes next **Durrell-Miller Letters, 1935-1980** Lawrence Durrell, Henry Miller, 1998-09-19 In 1935 a young Englishman living on Corfu wrote enthusiastically to a middle aged Brooklynite who had just published a succes de scandale in Paris Tropic of Cancer turns the corner into a new life which has regained its bowels Henry Miller realizing that in Lawrence Durrell he had hooked his ideal reader responded You re the first Britisher who s written me an intelligent letter about the book Thus began a correspondence that ended only with Miller s death in 1980 nearly 1 000 000 words later The Durrell Miller Letters 1935 80 contains an extensive and representative selection of the total correspondence Almost half of the present volume has never been published before including some recently recovered lost letters in addition many passages expurgated from letters published in 1963 have been restored Editor Ian S MacNiven of the State University of New York Maritime College is quite right to regard the Durrell Miller correspondence as a dual biography of the creative lives of two of this century s great literary iconoclasts a biography At once as serious as Schopenhauer and as winning as wine **TLA Film and Video Guide** David Bleiler, 1999 Detailed indexes by star director genre country of origin and theme Lavishly illustrated with over 450 photos Comprehensive selection of
