The Intelligent Persons Guide To Liberalization Paperback

Amit Bhaduri, Deepak Nayyar

The Intelligent Persons Guide To Liberalization Paperback:

The Intelligent Person's Guide To Liberalization Amit Bhaduri, Deepak Nayyar, 2000-10-14 A lucid analysis of the revolutionary changes in the Indian economy Faced with a major economic crisis in 1990-91 the government responded by initiating far reaching policy reforms aimed at opening up the country's economy Since then there has been little discussion on key issues and much political posturing In this important book two of India's leading economists rescue the current economic debate from jargon and dogma and present it in language accessible to ordinary Indians who finally must bear the brunt of the reforms Cutting through the euphoria and hype that prevent any serious appraisal of liberalization they highlight the advantages of a free market as also the grave dangers of unquestioning reliance on market forces in a developing country which is home to the largest number of the world's poor They argue for a flexible system that will adapt to changes in society and polity a system where both the market and the State must play a role Eschewing the extreme positions of both the left and the right this book seeks to encourage a serious reappraisal of the country's bold experiment with privatization for as the authors put it doubt is as important as knowledge in the design of economic policy

The Global Economic Crisis in Latin America Michael Cohen, 2012-06-25 When the 2008 housing market bubble burst in the United States a financial crisis rippled from the epicenter in the United States across borders into economies both near and far causing persistent social and economic detriment in many countries *The Global Economic Crisis in Latin America Impacts and Responses* is an examination of the impacts and responses in the diverse Latin American region through the lens of three countries Mexico Brazil and Argentina

Economic Theory and Policy amidst Global Discontent Ananya Ghosh Dastidar, Rajeev Malhotra, Vivek Suneja, 2018-02-06 This book rethinks economic theory and calls for a creative and pragmatic approach to policymaking It examines what development and sustenance of economic progress mean and how these may be facilitated The relevance of this issue has received fresh impetus from the significant changes in the degree and pattern of international economic relations that are unfolding across the world posing both opportunities and challenges While globalisation of goods and financial markets may have delivered high growth for some nations the distribution of the benefits has often been highly unequal with gains to owners of capital and skills being disproportionately higher compared to that of labour especially the unskilled Widening and persistent inequalities have been at the heart of rising polarisation and spread of conflicts that threaten the social fabric This work emphasises the relevance of a broad policy framework based on building individual capabilities and in line with a human centric perspective At the same time it points out the crucial need to create policy space for macroeconomic stability and to accommodate heterodox influences especially when conventional wisdom proves inadequate as starkly demonstrated inter alia during the recent global financial crisis This festschrift dedicated to Deepak Nayyar presents chapters on diverse themes that address the persisting global problems of poverty inequality and sustaining development The book will be of great interest to scholars and researchers of economics development studies public policy

and governance and also to policymakers government officials and those in media *Contemporary India: Economy, Society, Politics* Neera Chandhoke, Praveen Priyadarshi, 2009 *Contemporary India Economy Society Politics* addresses issues facing the nation state and civil society from diverse perspectives those of political science sociology economics and history The book is thematically divided into three parts Economy Society and Politics and includes discussions on topics as wide ranging as poverty regional disparities policies social change and social movements the elements of democracy dynamics of the party system secularism federalism decentralization and so on The common thread of democracy which strings together different aspects of contemporary India serves as the framework of understanding here and underlies discussions in all the chapters The book includes 23 original well researched and up to date chapters by authors who teach different courses in the social sciences Without compromising on the complexity of their arguments the authors have used a lucid conversational style that will attract even readers who have no previous knowledge of the topics The contributors have also provided a glossary questions and further readings lists with students examination needs in mind Multinational Corporations and Foreign Direct Investment Stephen D. Cohen, 2007 Large companies doing business on a global basis increasingly dominate the production and marketing of the world's goods and services This new book analyses multinational corporations in an eclectic nuanced manner The Palgrave Handbook of Development Economics Machiko Nissanke, José Antonio Ocampo, 2019-08-12 This Handbook responds to the needs and aspirations of current and future generations of development economists by providing critical reference material alongside or in relation to mainstream propositions Despite the potential of globalisation in accelerating growth and development in low and middle income countries through the spread of technology knowledge and information its current practice in many parts of the world has led to processes that are socially economically and politically and ecologically unsustainable It is critical for development economists to engage with the pivotal question of how to change the nature and course of globalisation to make it work for inclusive and sustainable development Applying a critical and pluralistic approach the chapters in this Handbook examine economics of development paths under globalisation focusing on sustainable development in social environmental institutional and political economy dimensions It aims at advancing the frontier of development economics in these key aspects and generating more refined policy perspectives It is critically reflective in examining effects of globalisation on development paths to date and in terms of methodological and analytical approaches as well as forward thinking in policy perspectives with a view to laying a foundation for sustainable development Performance And Progress Of Life Insurance Business In The Era Of Reforms Dr G Srinivasa Rao, Conflict, Demand and Economic Development Deepankar Basu, Debarshi Das, 2020-11-26 This book presents a comprehensive overview of three key areas heterodox macroeconomics development economics and classical political economy It offers an alternative macroeconomic framework to analyse policies with an emphasis on issues of equity and justice With contributions by leading economists from across the world it examines the growth and distribution of income

trade and finance in developing countries classical political economy and Marxist theory dualism in the US economy economic crisis and agrarian economy in poor countries It explores themes such as the effect of an exogenous shock to wage share Harrodian instability and Steindlian solutions economics and politics of social democracy the role of power in the macroeconomy economic development through the promotion of domestic value chains and reflections on primitive accumulation Going beyond the neo classical tradition the volume opens up a new vista of economics by discussing unexplored questions It provides a refreshing treatment of time tested ideas as well as discussions of recent developments and current research A major intervention in heterodox macroeconomics and a tribute to macroeconomist Amit Bhaduri this book will be useful to scholars and researchers of economics political economy development studies sociology political science public administration economic theory economic history economic geography and critical studies as well as professionals economists and policymakers

Employers' Associations in Asia John Beson, Ying Zhu, Howard Gospel, 2017-06-26 Economic growth in Asia over the past half century has led to significant changes in societies business organization and the nature of work This has been accompanied by the rise in some countries of trade unions and also of employers associations This book explores the nature of employers associations in the major countries of Asia It considers how employers associations have developed in recent decades how changes in market structures and the profile of economies have affected employers associations how employers associations deal with issues to do with pay and employment conditions and how they interact with regulation and the state The book shows how the differing political and institutional contexts of different countries and different economic conditions greatly affect the nature of employers associations and also the wider context of labour markets and trade unions

A Time of Transition Mani Shankar Aiyar, 2009 Mani Shankar Aiyar Looks Back To The Changes That Have Taken Place During The Time Of Transition The Two Decades Since Prime Minister Rajiv Gandhi Left Office After The Lok Sabha Elections Of November 1989 Rajiv Gandhi Was The Fourth Prime Minister Of India In Four Decades Of Independence But The Last Twenty Years Have Seen As Many As Eight Prime Ministers And Several More Governments Accompanying The Change From Single Party Governance To The Instability Of Coalition Politics Are Major Transformations In The Pace Trajectory And Even The Goals Of Nation Building It Is These Contentious Transitions That Are Reflected In The Five Major Themes Of This Volume Democracy Secularism Socialism Nonalignment And Neighbourhood Policy Mani Shankar Aiyar Was Both A Witness To And A Reluctant Participant In These Processes Of Change As Joint Secretary In Rajiv Gandhi's Prime Minister's Office As An MP Since 1991 And Today As A Cabinet Minister In The United Progressive Alliance Government His Columns For The Indian Express Are Analytical And Vivid Commentaries On Their Times Written In The Author's Inimitable Style This Collection Sheds Light On A Critically Significant Era In Contemporary India

The Face You Were Afraid to See Amit Bhaduri, 2009 Economists talk of prices rising or falling in response to excess of demand or supply in the market but are at a loss to explain who sets the price in a market of many

players where no one has the power to dictate price They then have to invent the invisible hand of a mythical god called price mechanism to create the image of the market operating as a self regulating system While unregulated free trade amounts to groping in the dark the situation is far worse when the prices and other rules of the market are set by the state on behalf of large corporations as has happened in globalizing India in the name of economic development Large corporations aided and abetted by the land acquisition policies of the central and state governments are indulging in massive land grabbing We witness the perversity of development in the destruction of livelihoods and displacement of the poor in the name of industrialization in the construction of big dams for power generation and irrigation in the corporatization of agriculture despite farmers suicides and in the modernization and beautification of our cities by the demolition of slums One of India s foremost theoretical economists Amit Bhaduri contends that we have abjectly surrendered to the conventional wisdom of our time that there is no alternative to corporations and the type of globalization that they lead The result he warns will not be a freer market and more freedom but a disastrous and deepening chasm between the India of privilege and the India of crushing poverty *The Face You were Afraid to See* is a collection of compellingly argued essays that draws attention to the other India that we turn away from Fiercely critical of financial liberalization corporate led globalization and neoliberalism that celebrate unregulated free trade the essays together make for a forceful critique of India s economic policies **The Present as History** Nermeen Shaikh,2007 The contributors to this volume treat the United States as an object to be historically and politically scrutinized rather than as the norm from which all else is to be evaluated Their essays assess the Third World through its history of colonialism and neocolonialism rather than focusing on issues of culture and morality

Two Decades of Market Reform in India Sudipta Bhattacharyya,2013-12-15 Have neoliberal policies truly yielded beneficial effects for India Two Decades of Market Reform in India presents a collection of essays that challenge the conventional wisdom of Indian market reforms examining the effects of neoliberal policies enacted by the Indian government and exploding the myths that surround them In particular the volume questions the perceived benefits of India s reform policies in the areas of growth agriculture industry and poverty alleviation and examines how the government s focus on preventing a fiscal deficit caused a large scale decline in development expenditures which in turn has had a negative impact on the well being of the poor With its rich and insightful analysis Two Decades of Market Reform in India bravely shines a light on the true implications of India s neoliberal governmental policies and provides a revealing indication of how policy reform since 1991 has at times detrimentally affected the general populace of India **Water Policy Processes in India**

Vandana Asthana,2009-09-10 Water Policy Processes in India covers a critical gap in the literature by analyzing the process through which policies in India are developed and implemented investigating the aims and motives behind policies and identifying the potential areas of intervention in order improve the policy process in both its development and implementation stages *Globalization and Governance in India* Jivanta Schottli,Himanshu Jha,2023-06-27 This volume

examines the tangled relationship between globalization and governance through the lens of India's domestic politics structures institutions and policies The contributors to this volume draw attention to the interconnectedness of global and domestic processes In doing so this volume also captures the evolving dynamics of state society market relations A unique blend of papers the collection brings out the complex interplay and interconnections between global trends domestic politics and governance challenges in explaining both the persistence of policy reforms as well as institutional change In this light the volume examines the role of socio political processes and key actors at the domestic level how they have negotiated global norms pressures and opportunities resulting in durable policies and institutions The COVID 19 pandemic has yet again brought the focus back to the significance and interconnectedness of globalization and governance This volume will contribute to a deeper understanding of these twin processes through thematic discussions on embedded liberalism of the Indian state transnationalisation of India's economic elites exploring the role of global local linkages in the transparency laws strategic internationalization and the politics of reform the global success of micro credit and its domestic manifestation and the resilience and durability of the Indian way of governing globalization This book was originally published as a special issue of the India Review Dynamic Capabilities Between Firm Organisation and Local Systems of Production Riccardo

Leoncini, Sandro Montresor, 2007-12-21 This book offers an analysis of how firms manage to reconfigure their pool of resources to deal with the turbulent environments in which they are embedded thus tackling the issue of how dynamic capabilities must be defined and conceptualized **PUBLIC ADMINISTRATION IN INDIA** SARKAR, SIULI, 2018-06-01

The book presents an updated analysis of the public administrative system existing in India covering different administrative structures as well as functions at the Central State district and local levels of our country NEW TO THE SECOND EDITION A thorough discussion on the structure of the civil services Functions and roles of the President Prime Minister Council of Ministers Finance Home and External Affairs Ministries and Central Secretariat Roles of the State administration with special emphasis on the Governor Chief Minister Chief Secretary State Secretariat and District Collector Thorough analysis of the local self governments at the rural and urban areas of India Women's participation in the rural local self government Explain financial administration welfare administration citizens and administration and major Indian committees and commissions Discusses issues such as Personnel Administration Administration of Law and Order Information Technology Human Rights Globalisation and Civil Society etc Detailed analyses of Kolkata Municipal Corporation Changing Nature of Planning NITI Aayog MGNREGA Sarva Shiksha Abhiyan SSA NRHM Gender and Administration A new chapter on Some Recent Developments in the Concept of Administration Chapter 16 TARGET AUDIENCE B A Political Science M A Political Science Civil Services Aspirants **Liberalization and Development** Deepak Nayyar, 2008 This volume is a collection of published and unpublished essays authored by the eminent scholar Deepak Nayyar The essays written over a period of two decades focus on liberalization and development of underdeveloped and developing countries The themes explored range

from macroeconomicsthrough industrialization to development with reference to the changed context shaped by liberalization The essays are grouped in four thematic clusters The first part is on economic theory contextualized in developing countries It relates macroeconomic theory and policy to the institutional setting and explores alternative perspectives The second part is on development in a world that has been transformed by markets and globalization It alsoexplores the consequences for public policies and for employment The third part is on industrialization It begins with the international context to consider the debate on industrialization in India which is relevant for other late industrializers The last part is on liberalization It evaluatesthe Indian experience with stabilization adjustment and reform The volume situates economic liberalization in India in its wider political and historical context In a world where much of development economics is concerned with micro theoretic analysis these essays provide a macroeconomicanalysis of development The book provides a rich blend of theory and policy from a heterodox perspective *Liberation* ,1995 **Perspectives on the Indian**

Corporate Economy Ananya Mukherjee Reed,2001-05-04 Central to the dynamics of India s post interventionist era has been the performance of its corporate sector A lot of hope has been placed on its ability to deliver increased growth rates and levels of development In the light of this view the author here examines critically the nature of the Indian corporate sector as a specific socio historical and political economic formation Particular emphasis is placed on the nature of corporate profitability in India its historical roots and its effects on development
