Medical-surgical Nursing Donna D. Ignatavicius,M. Linda Workman,2013 Using a uniquely collaborative and reader friendly approach expert authors Donna D Ignatavicius and M Linda Workman cover all the latest trends evidence based treatment guidelines and additional updated information needed for safe clinical practice in medical surgical nursing This seventh edition features an expanded emphasis on patient safety and NCLEX Examination preparation new ties to the QSEN priorities for patient safety and a greater alignment with the language and focus of clinical practice A new chapter on evidence based practice and a wealth of effective online learning tools help solidify your mastery of medical surgical nursing

The Author of Love Joc Anderson, PsyD.,2011 Throughout history God has been depicted variously as a judgmental tyrant a grand conciliator and even as a rather low key comic portrayed by the cigar smoking George Burns in the movie *Oh God* The question that's begging to be answered is Who is God This devotional

evolved out of one person's desire to portray God in a truer light. In the Book of Job, God reprimanded Job's friends for failing to speak truthfully about Him. They misrepresented His character. Job, on the other hand, understood His Maker and was therefore the single voice of truth in an otherwise corrupt world. Can you honestly say that you know your Creator? Can you speak truthfully about Him? This devotional will help you get to know the real God who is neither the judgmental tyrant nor the light weight movie character. He is, if nothing else, a God of love and compassion. At the conclusion of your devotionals, I have formulated a Love Quotient (LQ) test to measure the depth of your love. The questions are designed to be thought provoking and insightful. You may also find them a bit daunting and uncomfortable. Answer each question according to your beliefs. There are no wrong or right answers. It is my hope you will find this little exercise revealing and instructive of how you love. The answers and Key is also included. Your heart is what you're all about. May you understand God's love for you.
