Skychild A Novel:

Skychild Suzanne Morris, 2016-01-12 When the young child of Monica and Forrest Maguire is diagnosed as being autistic it plunges the mother into an agony of uncertainty and guilt and threatens the fragile marriage of this middle class couple

Clearharbour Suzanne Morris, 2007-09 As Emelye opened the lap drawer of the desk the strong odor of ink and cedar wood long sealed up flooded her nostrils She was surprised to find Elizabeth had left behind the note paper engraved with her name and the silver blotter and letter opener that appeared in a package with her name on it under the Christmas tree one year Surely she didn't know even before she left that she was about to change her identity An image of Elizabeth walking down a train platform all alone carrying her small suitcase gripped Emelye suddenly Her eyes filled Oh Elizabeth why'd you have to go away and become somebody else

Clearharbour the final volume of the Clearharbour Trilogy carries the story of the Selby family into the third generation Having survived two world wars Geneva and Tony Selby and their children must come to terms with old secrets and unresolved issues that threaten to destroy the family Packed with compelling complicated characters and captivating imagery Clearharbour is a stunning finale to this beautiful and haunting trilogy

Texas Women Writers Sylvia Ann Grider, Lou Halsell Rodenberger, 1997 A critical survey of over 150 years of Texas women writers including fiction and nonfiction authors poets and dramatists

On Wings of Air Jann Rowland, Lelia Eye, Reader Feedback Eye and Rowland are absolute masters at world creation as demonstrated in this first novel of what should become a classic fantasy trilogy Though very developed characters and distinct worlds it was easy to read and follow The Book of Celesta is a beautiful gift in the story development Unexpected twists kept me intrigued The story is captivating and follows theatrical structures both familiar and fantastical leading to an ending that is exciting mysterious and unexpected A true tale of high fantasy On Wings of Air maintains many romantic elements exploring real world problems in a fantasy setting which appeals to a wide audience The prince of the Skychildren is exiled from the sky and enslaved by his enemies on the ground In such circumstances how is he to save his kingdom from a madman and the entire world from destruction by a powerful creature created by a goddess And how could love for the princess of the Groundbreathers possibly enter into the picture If you are a fan of Fantasy On Wings of Air is for you

Tierra I don't think you quite understand If I found the Fenik there would be nothing you or anyone else here could do to stop me from leaving You said that Fenik was a weapon of sorts In fact the Fenik is the ultimate weapon I should not need to remind you but it appears that I must We are Skychildren We are not barbarians We do not keep slaves and we do not attack defenseless women in the streets We are ruled by honor not by our emotions It is true that we have an eons long dispute with Princess Tierra's people But we have no quarrel with her personally In every way that matters she is the same as we are Come now what are you waiting for Finish me off now and you shall have your victory Immolate both of us in your fire and you shall be free to do as you wish
