Coming Down from Above Lee Irwin,2014-10-20 For longer than five centuries Native Americans have struggled to adapt to colonialism missionization and

government control policies This first comprehensive survey of prophetic movements in Native North America tells how religious leaders blended indigenous beliefs with Christianity's prophetic traditions to respond to those challenges Lee Irwin gathers a scattered literature to provide a single volume overview that depicts American Indians creative synthesis of their own religious beliefs and practices with a variety of Christian theological ideas and moral teachings He traces continuities in the prophetic tradition from eighteenth century Delaware prophets to Western dream dance visionaries showing that Native American prophecy was not merely borrowed from Christianity but emerged from an interweaving of Christian and ancient North American teachings integral to Native religions From the highly assimilated ideas of the Puget Sound Shakers to such resistance movements as that of the Shawnee Prophet Irwin tells how the integration of non Native beliefs with prophetic teachings gave rise to diverse ethnotheologies with unique features He surveys the beliefs and practices of the nation to which each prophet belonged then describes his or her life and teachings the codification of those teachings and the impact they had on both the community and the history of Native religions Key hard to find primary texts are included in an appendix An introduction to an important strand within the rich tapestry of Native religions Coming Down from Above shows the remarkable responsiveness of those beliefs to historical events It is an unprecedented encyclopedic sourcebook for anyone interested in the roots of Native theology *Book Bulletin*, 1920 Iroquois Supernatural Michael Bastine, Mason Winfield, 2011-08-16 Brings the paranormal beings and places of the Iroquois folklore tradition to life through historic and contemporary accounts of otherworldly encounters Recounts stories of shapeshifting witches giant flying heads enchanted masks ethereal lights talking animals Little People spirit choirs potent curses and haunted hills roads and battlefields Includes accounts of miraculous healings by shamans and medicine people such as Mad Bear and Ted Williams Shows how these traditions can help one see the richness of the world and help those who have lost the chants of their own ancestors With a rich history reaching back more than one thousand years the six nations of the Iroquois Confederacy the Mohawk the Oneida the Onondaga the Cayuga the Seneca and the Tuscarora are considered to be the most avid storytellers on earth with a collection of tales so vast it would dwarf those of any other society Covering nearly the whole of New York State from the Hudson and Mohawk River Valleys westward across the Finger Lakes region to Niagara Falls and Salamanca this mystical culture's supernatural tradition is the psychic bedrock of the Northeast yet their treasury of tales and beliefs is largely unknown and their most powerful sacred sites unrecognized Assembling the lore and beliefs of this guarded spiritual legacy Michael Bastine and Mason Winfield share the stories they have collected of both historic and contemporary encounters with beings and places of Iroquois legend shapeshifting witches strange forest creatures ethereal lights vampire zombies cursed areas dark magicians talking animals enchanted masks and haunted hills roads and battlefields as well as accounts of miraculous healings by medicine people such as Mad Bear and Ted Williams Grounding their tales with a history of the Haundenosaunee the People of the Long House the authors show how the supernatural beings places and customs of the

Iroquois live on in contemporary paranormal experience still surfacing as startling and sometimes inspiring reports of otherworldly creatures haunted sites after death messages and mystical visions Providing a link with America's oldest spiritual roots these stories help us more deeply know the nature and super nature around us as well as offer spiritual insights for those who can no longer hear the chants of their own ancestors *What Hath God Wrought* Daniel Walker Howe, 2007-10-29 In this Pulitzer Prize winning critically acclaimed history Daniel Walker Howe illuminates the period from the battle of New Orleans to the end of the Mexican American War an era when the United States expanded to the Pacific and won control over the richest part of the North American continent Howe's panoramic narrative ranges from the revolutionary improvements in transportation and communications to the rise of mass political parties and the explosion of economic development that transformed America from an overwhelmingly rural country to a diversified economy in which commerce and industry took their place alongside agriculture *This Land Is Our Land* Agnes Regan Perkins, Alethea K. Helbig, 1994-09-26 How do you select the best recent works of fiction oral tradition and poetry about African American Asian American Hispanic American and Native American Indian experiences and traditions from the profusion of titles being published today This annotated bibliography of titles for children and young adults published from 1985 through the end of 1993 with 60% published since 1990 provides a one stop selection tool Appraisals of 559 titles as well as information about an additional 188 recent books and 90 earlier ones of importance are provided Each entry features a plot summary incorporating themes critical comments with a judgment of the book's value as an example of its genre suggestions of other books by that writer and related books of importance The authors who are recognized authorities in children's literature and an advisory board of librarians and teachers each of whom specializes in the literature of a particular ethnic group have provided insightful critical appraisals and expertise and guidance in the selection of titles Helpful subject grade level author title and illustrator indexes are organized for ease of use Titles in the grade level and subject indexes are also identified by ethnic group *The Cultures of Native North Americans* Christian F. Feest, 2000 The diversity of Native American cultures goes far beyond the popular image of the Indian The bison hunters and horseback warriors of the Great Plains with their wind blown feather headdresses make up only a small part of the fascinating world of the people and cultures which developed between the icy Arctic and the mountains of northern Mexico A veritable rainbow of life styles reaches from the chiefdoms of the eastern forests to the tribelets of California and from the hunters of northern Canada to the Pueblo peoples who tilled their fields in the dry Southwest Often still observing old traditions many of these peoples have survived the 500 years since the first involuntary confrontation with Europeans contact which brought cultural enrichment as well as death and deprivation This volume presents the day to day life history and material and spiritual achievements of North America's indigenous people Provided by publisher *Book Review Digest*, 1912 **North, South, East, West** Marsha C. Bol, 1998-05-01 Vibrant photographs and moving quotes give tangible expression to a rich heritage of Native American beliefs

and customs and demonstrate how Native groups maintain viable cultures within modern day America Indians at Work
