Soap Opera Babylon Jason Bonderoff, 1987      **Soap Opera Super Couples** Henrietta Roos, 2016-11-22 A television genre best known for romantic storytelling daytime soap operas have for decades spun tales of couples embroiled in passion lust and adventure Yet it was not until the early 1980s that star crossed lovers became standard and the term super couple was coined by the media marking a new era of experimentation and growth in daytime soaps This book documents the phenomenon tracing its history legacy and impact on the soap opera industry and on popular culture at large      Days of Our Lives Maureen Russell, 2015-06-08 On November 8 1965 Days of Our Lives debuted on NBC The show overcame a rocky beginning to become one of the best loved and longest running soap operas on daytime television For 30 years the story of the show s Horton family has been closely followed by a dedicated audience Through extensive research including the first ever examination of the show s archives and interviews with cast members writers producers and production personnel the show s history is told here This reference work provides a complete cast list from the show s debut through 1994 as well as the most comprehensive storyline of the show ever available Also included are family trees of the show s characters tracing the often confusing relationships involved in thirty years of developing roles      On Babylon's Throne Colleen Forté, 2004-10-07 Frannie Costello faces the murky complexities of life It is 1961 She is sixteen pregnant and terrified Abortion is not a choice Or is it A controlling mother whisks her away from Baltimore Away from Nicky Feola her first love Away to a darkened room festering with a shadowy aura of shame Frannie survives but follows the unforgiving cycle She falls into an abusive marriage When all hope is nearly gone she reads a newspaper clipping of the opening of a new Las Vegas casino THE ALLADIN Courage leads her to abandon her husband She escapes to the city of glitz and glamour Could this city be the twentieth centurys Babylon Would this city be Frannies demise      German Crime Dramas from Network Television to Netflix Sunka Simon, 2022-12-15 German Crime Dramas from Network Television to Netflix approaches German television crime dramas to uncover the intersections between the genre s media specific network and post network formats and how these negotiate with and contribute to concepts of the regional national and global Part I concentrates on the ARD network s long running flagship series Tatort Crime Scene 1970 Because the domestically produced crime drama succeeded in interacting with and competing against dominant U S formats during 3 different mediascapes it offers strategic lessons for post network television Situating 9 Tatort episodes in their televisual moment within the Sunday evening flow over 38 years and 3 different German regions reveals how producers writers directors critics and audiences interacted not only with the cultural socio political context but also responded to the challenges aesthetically narratively and media reflexively Part II explores how post 2017 German crime dramas Babylon Berlin Dark Perfume and Dogs of Berlin rework the genre s formal and narrative conventions for global circulation on Netflix Each chapter concentrates on the dynamic interplay between time shifted viewing transmedia storytelling genre hybridity and how these interact with projections of cultural specificity and

continue or depart from established network practices The results offer crucial information and inspiration for producers and executives for creative teams program directors and television scholars      **Legend of the Unknown God** Mark A.

Hotchkiss,2009-08 Does history support the Bible Travel through the pages of history and discover the Legend of the Unknown God Author Mark Hotchkiss uses world history to fill in the gaps of the Old Testament gaining a new perspective on the stories you grew up with The Israelites were once a feared nation until they turned their back on God and began to worship idols and false gods Follow their saga with a new point of view and see how God used other people and nations to fulfill his plans to punish the Israelites Learn about a non Jewish prophet that was executed by his own people for teaching them about this unknown God Find out how Cyrus and Darius became the king of Persia and how God used them Who was Amel Marduk and Labashi Marduk The Legend of the Unknown God is a fascinating trip through the Bible asking us to evaluate where we stand in our own worship of God      **The Soap Opera Encyclopedia** Christopher Schemering,1988

**The Drama of Marriage** J. Clum,2012-01-02 In studying performances of marriage in modern and contemporary British and American drama Clum highlights the fact that paradoxically at a time when theatre was both popular entertainment and high culture many of the most commercially and artistically successful plays about marriage were written by homosexual men Beginning with Oscar Wilde and focusing on some of the most successful British and American playwrights of the past century including Somerset Maugham No l Coward Terence Rattigan and Emlyn Williams in England and Clyde Fitch George Kelly Tennessee Williams William Inge and Edward Albee in the US The Drama of Marriage looks at how the plays they wrote about heterosexual marriage continue to impact contemporary gay playwrights and the depiction of marriage today      *Soap Opera Mythology & Racial-ethnic Social Change* Cathy Lynette James,1992      **The Novel in the Ancient World** Gareth L. Winston Churchill has been repeatedly voted as one of the greatest of Englishmen The wartime leader has become a household god for many preserving an antiquated vision of Britain still shared by all 3 parties Yet was he anything more than a plump carp happy to swim in the foulest of ponds to defend the Empire In this coruscating biography Tariq Ali challenges Churchill s vaulted record Churchill himself never bothered to conceal his passionate defense of the British Empire or its attendant racism On a more personal level his complacent self belief influenced his every step and frequently tripped him up As the head of the British Navy during WWI he was responsible for a series of calamitous errors that cost thousands of lives His attempt to crush the Irish nationalists left wounds that have yet to heal His attacks on striking workers in Glasgow and Tonyandy his posturing when calling in the army to burn two anarchists in London s East End his vicious propaganda during the General Strike were not forgotten or forgiven During the war against Germany the most revered period of his career Churchill s crimes abroad continued including the brutal assault on the Greek Resistance the Bengal Famine that cost over 3 million Indian lives the all out assault on civilians in Dresden and Hamburg and the insistence on the use of nuclear weapons in Japan Even as the Empire was starting to crumble Churchill never questioned his imperial philosophy as he became one of the architects of the postwar world we live in today His is a terrible record amply documented in Tariq Ali s indictment **In Morticia's Shadow** James Pylant,2012 Before captivating America as Morticia in The Addams Family actress Carolyn Jones appeared in 30 movies including starring roles with Elvis Presley and Frank Sinatra and had a decade long marriage to producer Aaron Spelling But the road to Hollywood from her native Amarillo Texas was studded with rejection typecasting and unwanted comparisons to an actress who hated her Bette Davis Author James Pylant unveils the real Carolyn Jones with access to her personal correspondence and journal as well as interviews with her family friends and fellow actors What emerges is an intimate portrait of the iconic actress a consummate professional who created a mystique not only for Morticia but for herself Website **Ageism** Fran Winandy,2022-07-05 Why are we afraid of getting old Is youth synonymous with beauty What is Age Shaming The answers to these and other questions can help you reflect on your fears and prejudices Ageism is age prejudice The act of discriminating against a person according to age or if you prefer the date of birth the one that is there on your ID But what leads someone to perpetuate a prejudice of which they are likely to become a victim After all are we all ageists in deconstruction This book seeks to initiate a movement of reflection and social transformation Or at least participate in it Will you come with me **Derek Walcott and West Indian Drama** Bruce King,1995 Written at Derek Walcott s suggestion and based on interviews with the playwright this is the first detailed study of a post colonial theatre company and the problems of creating serious theatre in the former British colonies The book shows how the Nobel Prize winner strove to create a world class theatre ensemble in the West Indies a Trinidadian Brecht Berliner ensemble and traces his life and career in West Indian theatre and the history of the Trinidad Theatre Workshop A major contribution to West Indian history and theatre Bruce King s study reveals the heroic will of Derek Walcott and his determination to prove that

**the Holodeck, updated edition** Janet H. Murray, 2017-04-07 An updated edition of the classic book on digital storytelling with a new introduction and expansive chapter commentaries I want to say to all the hacker bards from every field gamers researchers journalists artists programmers scriptwriters creators of authoring systems please know that I wrote this book for you Hamlet on the Holodeck from the author's introduction to the updated edition Janet Murray's Hamlet on the Holodeck was instantly influential and controversial when it was first published in 1997 Ahead of its time it accurately predicted the rise of new genres of storytelling from the convergence of traditional media forms and computing Taking the long view of artistic innovation over decades and even centuries it remains forward looking in its description of the development of new artistic traditions of practice the growth of participatory audiences and the realization of still emerging technologies as consumer products This updated edition of a book the New Yorker calls a cult classic offers a new introduction by Murray and chapter by chapter commentary relating Murray's predictions and enduring design insights to the most significant storytelling innovations of the past twenty years from long form television to artificial intelligence to virtual reality Murray identifies the powerful new set of expressive affordances that computing offers for the ancient human activity of storytelling and considers what would be necessary for interactive narrative to become a mature and compelling art form Her argument met with some resistance from print loyalists and postmodern hypertext enthusiasts and it provoked a foundational debate in the emerging field of game studies on the relationship between narrative and videogames But since Hamlet on the Holodeck's publication a practice that was largely speculative has been validated by academia artistic practice and the marketplace In this substantially updated edition Murray provides fresh examples of expressive digital storytelling and identifies new directions for narrative innovation
