Shaw,Laura C. Mahrenbach,Renu Modi,Xu Yi-chong,2018-12-19 Published 35 years after Palgrave Macmillan s landmark International Political Economy IPE series was first founded this Handbook captures the state of the art of contemporary IPE It draws on the series history of focusing on the oft neglected study of the global South Providing interdisciplinary perspectives from scholars hailing from the global North and South the Handbook illustrates the theoretical innovations and empirical richness necessary to explain today s ever changing world This is a world in which the global South and North are not only being transformed by the end of bipolarity and the rise of the BRICS but also by diverse global crises and growing cross border challenges It is a world where human development governance and security are becoming ever more elusive where profoundly altered by the rise of new technologies the structure of relations between nations itself is changing becoming increasingly interconnected both digitally and physically Understanding these issues is of critical importance to better anticipate current and future global transformations This Handbook is the ideal primer for all scholars practitioners and policy makers looking to do so

Inclusive Growth Through Social Capital Formation Christabell P.J.,2016-01-01 Economic growth becomes inclusive when it creates economic opportunities along with ensuring equal access to all people of a nation The inclusive growth can be achieved by forming social capital which can be defined as the quality and quantity of relationships networks and norms among people and organizations that facilitate collective action In India micro finance institutions and programmes have adopted numerous innovative ways of providing credit and savings services to the entrepreneurial poor in order to make them financially inclusive The book looked into the impact of the progress of micro finance in Kerala and further examined how social capital formation among marginalized and vulnerable sections of the society through micro finance helped the poor especially in the context of inclusive growth The micro finance organisation selected for the purpose of the book is Kudumbashree which is an internationally renowned model operating in the State of Kerala **ADB-government-NGO Cooperation** ,2003 [Israeli Community Action](#) Paula Kabalo,2020-10-13 A fascinating history of how average citizens banded together to cope and rebuild in the wake of the 1948 War When the 1948 Israeli War of Independence broke out

population centers were rocked by sniper fire bombings and roadside ambushes As the fighting moved out of the cities into desert areas private citizens and community organizations left behind organized to revitalize and restore life in their devastated communities In Israeli Community Action Paula Kabalo presents a vivid portrait of these civilians who strove to help each other cope with the realities of war Kabalo explores how civilian militias were recruited how neighborhoods were protected how older populations were enlisted into the war effort and how women were organized to provide medical aid or establish refugee centers She demonstrates that each phase of the war brought along new challenges to the population of the young state of Israel but she also illuminates how the engagement of Israelis in community efforts brought them together and shored them up to face the future in their new country
