*Social Changes During Depression and Recovery*, 1935      *Growth and Its Implications for the Future* United States. Congress. House. Committee on Merchant Marine and Fisheries. Subcommittee on Fisheries and Wildlife Conservation and the Environment, 1973      The Gang Frederic Milton Thrasher, 2013-03-27 While gangs and gang culture have been around for countless centuries The Gang is one of the first academic studies of the phenomenon Originally published in 1927 Frederic Milton Thrasher's magnum opus offers a profound and careful analysis of hundreds of gangs in Chicago in the early part of the twentieth century With rich prose and an eye for detail Thrasher looked specifically at the way in which urban geography shaped gangs and posited the thesis that neighborhoods in flux were more likely to produce gangs Moreover he traced gang culture back to feudal and medieval power systems and linked tribal ethos in other societies to codes of honor and glory found in American gangs Thrasher approaches his subject with empathy and insightfulness and creates a multifaceted and textured portrait that still has much to offer to readers today With handsome images that evoke the era this unabridged edition of The Gang not only explores an important moment in the history of Chicago but also is itself a landmark in the history of sociology and subcultural theory      Agricultural Economics Literature United States. Bureau of Agricultural Economics. Library, 1936      **Social Changes During Depression and Recovery**, 1935      *Catalog of Copyright Entries. New Series* Library of Congress. Copyright Office, 1936      **Measurement of the Social Performance of Business** Theodore John Kreps, 1940      Social Change and the Coming of Post-consumer Society Maurie Cohen, Halina Szejnwald Brown, Philip Vergragt, 2017-03-31 Consumer society is an unquestionably complex social construct However after decades of unrelenting dominance there are signs emerging that it is starting to falter both as a coherent and durable system of social organization and as a strategy for societal advancement Debates concerning how we can transition beyond present energy and materials intensive consumer society are beginning to gain greater salience Social Change and the Coming of Post Consumer Society aims to develop more complete appreciation of the relevant processes of social change and to identify effective interventions that could enable a transition to supersede consumer society Bringing together leading interdisciplinary experts on social change the book identifies and analyzes several ongoing small and modest scale social experiments Possibilities for macro scale change from the interlinked perspectives of culture economics finance and governance are then explored These contributions expose the systemic problems that are emblematic of the current condition of consumer society specifically the unsustainability of prevailing consumption practices and lifestyles and the persistence of inequalities These observations are summarized and extended in the final chapter of the book This volume will be of great interest to students and scholars of sustainable consumption sustainability transitions environmental sociology and sustainable development      **Bulletin of the United States Bureau of Labor Statistics**, 1941      **Stroke Rehabilitation - E-Book** Glen Gillen, 2010-10-25 Three new chapters broaden your understanding of stroke intervention in

the areas of Using Technology to Improve Limb Function Managing Speech and Language Deficits after Stroke and Parenting after Stroke Learning activities and interactive references on a companion Evolve Resources website help you review textbook content and locate additional information     *Handbook of Clinical Psychology Competencies* Jay C Thomas,2010 This three volume handbook describes the core competency areas in providing psychological services relevant to practitioners as well as clinical researchers It covers assessment and conceptualization of cases the application of evidence based methods supervision consultation cross cultural factors and ethics     *Recovery from Schizophrenia* Richard Warner,2004 Recovery from Schizophrenia demonstrates convincingly but controversially how political economic and labour market forces shape social responses to the mentally ill     **Monthly Labor Review** United States.
