Supervising Counselors And Therapists A Developmental Approach:

Supervising Counselors and Therapists Cal D. Stoltenberg, Ursula Delworth, 1987-10-05 Presents a comprehensive approach to clinical supervision through which entry level counselors become seasoned professionals It explains the needs and characteristics of trainees and recommends how and when supervisors may intervene to help trainees handle counseling sessions with clients

Counselor Supervision Loretta J. Bradley, Nicholas Ladany, 2001 This book represents a complete overhaul of a classic text for the twenty first century Loretta Bradley and new co author editor Nicholas Ladany have completely revised the material to reflect the most current research theory and practice available In doing so they have made Counselor Supervision 3e a cutting edge model of multicultural supervision Primary supervision theories are reviewed and critiqued with the intent of informing supervisor practitioners counselor educators and supervisor trainees Case studies are used throughout the book to illustrate the application of these theories to the practical issues that supervisors regularly encounter The authors also include a focused discussion on the importance of the supervisory relationship and its influence on supervision process and outcome Important changes and additions to the new edition include Integration of multicultural issues in supervision throughout the book An examination of the ethical and advocacy issues in supervision An innovative chapter devoted to understanding and conducting research in counselor supervision New and relevant chapters on the supervision of school counselors career counselors and family counselors An updated chapter on group supervision Counselor Supervision is ideal for use as a textbook in counselor supervision courses The book is also an outstanding professional development tool for administrative and clinical supervisors alike

Supervising the Counsellor and Psychotherapist Steve Page, Val Wosket, 2014-07-17 Supervising the Counsellor and Psychotherapist considers how to meet the supervision needs of trainee and experienced counsellors psychotherapists and other helping professionals using an integrative approach that will appeal to practitioners from a broad range of backgrounds and theoretical persuasions The book charts the development of the supervisor as he or she moves through making the transition from therapist to supervising the work of others and includes consideration of the advanced competencies required to supervise experienced practitioners This third edition brings a number of contemporary perspectives to a well known and widely respected core text for the training and development of supervisors The Cyclical Model at the heart of the book has established its relevance in the UK as one of the best known frameworks for teaching and learning the steps and stages of supervision All chapters in this new edition have been extensively revised and updated and key elements include Two brand new chapters on deepening supervision practice and moving beyond supervising counsellors and psychotherapists Updates on recent developments in supervision including research outcomes the use of technology and supervising short term work Creativity play and the use of metaphor and imagery in supervision Developing the use of self through relational supervision Supervising the Counsellor and Psychotherapist is a key text for trainee and experienced supervisors of counsellors and psychotherapists those who train
