The Heart Flowers:

Flowers from the Heart, Songs of the Soul Ajit Sripad Rao Nalkur, 2015-10-23 The beauty of nature surrounds us but its beauty is often wasted as we rush through lives filled with work family and other responsibilities What if we were to slow down for a moment and take a look around What would we notice what would we learn Surely more than we could have imagined Poet Ajit Sripad Rao Nalkur admires the wilderness around him while living in southern India His words bridge the gap between the human world and the world of nature where small details speak volumes and inspire peace He writes not only of nature's majesty but also of our connection to it a connection we can choose to ignore or embrace In this collection an artist seeks and waits for his muse Little things bring great joy like a single wildflower or the serene power of silence Nalkur's words reach beyond the page and into the reader's innermost being challenging each of us to emotionally connect with nature These poems remind us all to slow down and admire the miracle that is life on Earth

The Heart and Its Healing Plants Wolf-Dieter Storl, 2024-01-02 An ethnobotanical look at ancient heart beliefs heart strengthening herbs and folk remedies for cardiovascular diseases Discusses traditional understandings of the heart from early European cultures and indigenous peoples of the Americas Asia and Africa Examines the heart as the home of the soul and an organ of perception and looks at traditional beliefs on what makes the heart sick Presents a materia medica of plants used for millennia to treat heart related conditions as well as plants in use by modern herbalists and cardiologists In the traditional worldview the heart was considered the home of the soul and the source of love and vitality As such heart sickness was not seen as a result of poor nutrition too much stress or lack of exercise but reflected an imbalance of the heart's emotional and spiritual energies Plants and folk remedies used as traditional heart medicine worked on the mental and spiritual level to help make the heart happy again Renowned ethnobotanist Wolf D Storl Ph D examines traditional understandings of the heart from early European cultures and indigenous peoples as well as a wealth of plants used in both ancient and contemporary times to treat heart conditions and ailments He examines what makes the heart sick including different healing paradigms used to address the causes He also looks at how time is perceived by the heart and how the modern epidemic of heart disease can be linked to our culture's pervasive disconnection from nature's rhythms Presenting a materia medica of heart strengthening herbs and folk remedies for cardiovascular diseases the author offers in depth descriptions of plants used for millennia to treat heart related conditions as well as plants in use by modern herbalists and cardiologists Sharing a holistic view of the heart and heart disease based on traditional perspectives ethnomedical research and herbal wisdom this book reveals new ways to heal the heart by recognizing its integrated role in our physical emotional and spiritual wellness
