Alaric Thorne and the Soulforged Amulet Daniel Todd-Norris,2024-11-15 Dragons may be extinct but the evil they fought isn't and it's stirring once more This is what the young scholar Alaric Thorne knows as he combs the Library of Alexandria for a glimmer of hope in the looming conflict He learns that although the dragons may be gone that doesn't mean they're truly lost forever Some part of them remains in the ruins of the city they died to protect buried and bound to a long lost artifact the Soulforged Amulet When Alaric sets out to uncover this powerful artifact he'll find that even benevolent power comes at a cost To claim it he must merge his body his mind and his very soul with what remains in the amulet He must become something more leaving his humanity behind to serve as a beacon of hope in this darkest hour Emerging from those ancient ruins Alaric has all the power he needs to protect his world from the coming darkness Yet will he be able to bear the cost of his power and the struggle of the coming trials If his newfound allies and friends prove true and trustworthy they may just be able to carry each other through and save not only their world but also each other
