I, Arts and trades. 1926** William Swan Sonnenschein,1926      **Regional American Food Culture** Lucy M. Long,2009-10-13 Regional American food culture still exists and is strongest in more rural homogenous areas of the country Regional foods are a major component of regional identities and Americans make a big to do about their home grown favorites The current food cultures of the major American regions northeast New England the Mid Atlantic the South the West the Midwest and subregions are illuminated here like never before Everyone knows something about the iconic fare of a region such as Soul Food in the South and New England clam bakes but with this resource readers are able to delve wider and deeper into how Americans from Alaska to Hawaii to the Amish country of the Midwest to the Eastern Seaboard sustain themselves and what their food lifestyles are today The unique regional food cultures that have developed according to natural resources and population are increasingly affected by social and economic trends Increasingly mobile Americans generally have access to the same fast food and supermarket chain offerings read the same mass market food magazines and watch the cable food shows and younger generations may have less time to continue family food traditions such as baking the ethnic breads and desserts that their mothers did Regional American Food Culture discusses the various traditions within the context of a new millennium Narrative chapters describe the background of the regional food culture what the primary foods are how the food is cooked and by whom what the typical meals are how food is used in special occasions and diet and health issues in the regions A chronology resource guide selected bibliography and illustrations complement the text      *Illustrated Catalogue of Books, Standard and Holiday* McClurg, Firm, Booksellers, Chicago,1899      Food and Nutrition Information and Educational Materials Center catalog Food and Nutrition Information Center (U.S.),1976      **Food and Nutrition**

**Information and Educational Materials Center Catalog** Food and Nutrition Information and Educational Materials Center (U.S.),1973      **Resources in Education** ,1998      **Catalog. Supplement** Food and Nutrition Information Center (U.S.),1973 Includes bibliography and indexes subject personal author corporate author title and media index      *Tasting Tourism: Travelling for Food and Drink* Priscilla Boniface,2017-03-02 Along with basic practical reasons our practices concerning food and drink are driven by context and environment belief and convention aspiration and desire to display in short by culture Similarly culture guides how tourism is used and operates This book examines food and drink tourism as it is now and is likely to develop through a cultural lens It asks what is food and drink tourism and why have food and drink provisions and information points become tourist destinations in their own right rather than remaining among a number of tourism features and components While it offers a range of international examples the main focus is on food and drink tourism in the UK What with the current diversification of tourism in rural areas the increased popularity of this type of tourism in the UK the series of BSE vCJD and foot and mouth crises in British food production and the cultural and ethnic fusion in British towns and cities it makes a particularly rich place in which to explore this subject The author concludes that the future of food and drink tourism lies in diversity and distinctiveness In an era of globalisation there is a particular desire to enjoy varied rather than mono cultural ambiance and experience She also notes that there is an immediacy of gratification in food and drink consumption which has become a general requirement of contemporary society
