The Haystack Hide:

Data Hiding Michael T. Raggo, Chet Hosmer, 2012-12-31 As data hiding detection and forensic techniques have matured people are creating more advanced stealth methods for spying corporate espionage terrorism and cyber warfare all to avoid detection Data Hiding provides an exploration into the present day and next generation of tools and techniques used in covert communications advanced malware methods and data concealment tactics The hiding techniques outlined include the latest technologies including mobile devices multimedia virtualization and others These concepts provide corporate government and military personnel with the knowledge to investigate and defend against insider threats spy techniques espionage advanced malware and secret communications By understanding the plethora of threats you will gain an understanding of the methods to defend oneself from these threats through detection investigation mitigation and prevention Provides many real world examples of data concealment on the latest technologies including iOS Android VMware MacOS X Linux and Windows 7 Dives deep into the less known approaches to data hiding covert communications and advanced malware Includes never before published information about next generation methods of data hiding Outlines a well defined methodology for countering threats Looks ahead at future predictions for data hiding [Hidden in Plain Sight](#) David K. Leff, 2012-07-10 The art of discovering cultural and natural treasures in everyday landscapes In the course of the mundane routines of life we encounter a variety of landscapes and objects either ignoring them or looking without interest at what appears to be just a tree stone anonymous building or dirt road But the deep traveler according to Hartford Courant essayist David K Leff doesn't make this mistake Instead the commonplace elements become the most important By learning to see the magic in the mundane we not only enrich daily life with a sense of place we are more likely to protect and make those places better Over his many years working at the Connecticut Department of Environmental Protection and writing about the state's landscape Leff gained unparalleled intimacy while traveling its byways and back roads In Hidden in Plain Sight Leff's essays and photographs take us on a point by point journey revealing the rich stories behind many of Connecticut's overlooked landmarks from the Merritt Parkway and Cornwall's Cathedral Pines to roadside rock art and centuries old milestones

The Haystack Hide Kim Simmons, 1976 **Surreptitious Software** Jasvir Nagra, Christian Collberg, 2009-07-24 This book gives thorough scholarly coverage of an area of growing importance in computer security and is a must have for every researcher student and practicing professional in software protection Mikhail Atallah Distinguished Professor of Computer Science at Purdue University Theory Techniques and Tools for Fighting Software Piracy Tampering and Malicious Reverse Engineering The last decade has seen significant progress in the development of techniques for resisting software piracy and tampering These techniques are indispensable for software developers seeking to protect vital intellectual property Surreptitious Software is the first authoritative comprehensive resource for researchers developers and students who want to understand these approaches the level of security they afford and the performance penalty they incur Christian Collberg

and Jasvir Nagra bring together techniques drawn from related areas of computer science including cryptography steganography watermarking software metrics reverse engineering and compiler optimization Using extensive sample code they show readers how to implement protection schemes ranging from code obfuscation and software fingerprinting to tamperproofing and birthmarking and discuss the theoretical and practical limitations of these techniques Coverage includes Mastering techniques that both attackers and defenders use to analyze programs Using code obfuscation to make software harder to analyze and understand Fingerprinting software to identify its author and to trace software pirates Tamperproofing software using guards that detect and respond to illegal modifications of code and data Strengthening content protection through dynamic watermarking and dynamic obfuscation Detecting code theft via software similarity analysis and birthmarking algorithms Using hardware techniques to defend software and media against piracy and tampering Detecting software tampering in distributed system Understanding the theoretical limits of code obfuscation Computer Network Security Vladimir Gorodetsky,Igor Kotenko,Victor A. Skormin,2007-08-24 This book constitutes the refereed proceedings of the Fourth International Conference on Mathematical Methods Models and Architectures for Computer Network Security MMM ACNS 2007 held in St Petersburg Russia in September 2007 Its objective was to bring together leading researchers from academia and governmental organizations as well as practitioners in the area of computer networks and information security **The Excluded Wife** Yuen-fong Woon,1998 The Chinese Immigration Exclusion Act passed by the Canadian government in 1923 stopped the families of Chinese labourers working in Canada from entering the country Based on extensive interviews with Chinese women affected by the Exclusion Act Yuen fong Woon has written a riveting novel of their experiences told through the character of Sau Ping A village woman from South China Sau Ping marries an overseas Chinese from Canada in the late 1920s but the Exclusion Act prohibits her from joining him in Canada For more than twenty years she remains in China separated from her husband taking care of his family members and struggling to survive during a turbulent period of Chinese history To escape political persecution Sau Ping flees to Hong Kong and spends three years enduring the appalling conditions of a refugee With the repeal of the Chinese Exclusion Act she is finally reunited with her husband in Canada but her struggle continues as she tries to rebuild her life with a husband she barely knows in an alien culture she does not understand The Excluded Wife gives voice to the first generation of post war Chinese immigrant women capturing the tragedy courage and triumph of those women who made the epic journey from China to Canada Yuen fong Woon is professor of Pacific and Asian Studies University of Victoria *The Righteous* Martin Gilbert,2010-04-01 Important The very fact that there were so many tales of courage is reason to take heed of this heartening aspect of one of history s darkest moments Publishers Weekly Drawing from twenty five years of original research eminent historian Sir Martin Gilbert re creates the remarkable stories of non Jews who risked their lives to help Jews during the Holocaust According to Jewish tradition Whoever saves one life it is as if he saved the entire world Non Jews who helped save Jewish lives during World War

II are designated Righteous Among the Nations by Yad Vashem the Holocaust archive in Jerusalem In The Righteous distinguished historian Sir Martin Gilbert through extensive interviews explores the courage of those who throughout Germany and in every occupied country from Norway to Greece from the Atlantic to the Baltic took incredible risks to help Jews whose fate would have been sealed without them Indeed many lost their lives for their efforts Those who hid Jews included priests nurses teachers neighbors and friends employees and colleagues soldiers and diplomats and above all ordinary citizens From Greek Orthodox Princess Alice of Greece who hid Jews in her home in Athens to the Ukrainian Uniate Archbishop of Lvov who hid hundreds of Jews in his churches and monasteries to Muslims in Bosnia and Albania many risked and lost everything to help their fellow man One of the book's virtues is Gilbert's ability to set the local context briefly before recounting the personal stories thus keeping the human dimension paramount Library Journal This emotionally stirring book is an essential addition to Holocaust collections Booklist
