**The Magazine of Poetry**, 1889 *From Genesis to Revelation* Stuart Tillman, 2022-12-27 From Genesis to Revelation A Story You Find Yourself In is a book about the journey of the soul and how it s reflected in the esoteric Bible The book is written as an allegory by animating characters found in the creation and together serve as our hosts during this earthly sojourn It s through the unbiased observations made by these characters that we come to better understand ourselves and the purpose of this incarnation The quality of our relationship with the creation and with other human s is solely dependent upon the quality of the relationship that we have with our inner man Becoming aware of awareness is the beginning of this understanding and is perfected through the process of internal observation The book recognizes that humanity is stressing the creations integrity and its ability to maintain a proper ecosystem in support of our human experience In response the creation determines that something must be done concluding that acquiring a thorough understanding the nature of man s inner and

collective psyche as the first order of business In this process of discovery the creation explores the contrasts between the practices of religion and the pursuits of spirituality while endeavoring to correlate its findings with the symbolisms found in the Bible What they discover is a revelatory paradox as their findings suggest that these human practices and pursuits do not align with the spiritual meaning hidden in these sacred texts The journey of humanity is a story you find yourself in and the only way forward is for each of us to come into a reconciliation with our dual natures I hope this book can help in that cause as the answers are found within from Genesis to Revelation
