Washington, Olaudah Equiano, 2015-10-30 In one volume there are seven slave narratives compelling harrowing at times and beautiful stories of hope in the midst of deep adversity 1 Narrative of the Life

Of Frederick Douglass An American Slave Frederick Douglass s eloquently written first autobiography was one of the most persuasive forces for emancipation as well as for the enlistment of black soldiers in the Union army It is written beautifully and the story flies past a dazzling and awful account of slavery 2 My Bondage and My Freedom This is Frederick Douglass s second autobiography written ten years after his emancipation and is unparalleled in its scope of the destructive effects of slavery on both individuals and communities The power of this book is that it delves into the minds of rational good people who were slave owners and discusses the economic conditions that sanctioned slavery s continued existence 3 Twelve Years A Slave This narrative was written by Solomon Northrup a freeman kidnapped from the North and taken to a work on a plantation in Louisiana where he lived for 12 years until he was rescued Violence sadness grief and the treatment of human beings as lower than animals are the themes that run through this famous autobiography 4 The Interesting Narrative of the Life of Olaudah Equiano or Gustavus Vassa the African Olaudah Equiano s interesting story provides an insight into a time and situation that few people survived to record or recall and those that did survive were rarely literate For this reason and so many others Equiano or Gustavus Vassa as he was later christened has a unique story to tell It is an honest and chilling account of a man born free in Africa and sold into slavery who spends most of life on the high seas until he finally acquires freedom He relates the experiences of black people in its myriad forms on three continents 5 Incidents In The Life Of A Slave Girl Seven Years Concealed In the pre civil war period of 1861 Harriet Jacobs was the only black woman in the United States to have authored her own slave narrative in a call to arouse the women of the North to a realizing sense of the condition of two millions of women at the South to convince the people of the Free States what slavery really is Jacobs hoped that should the white women of the North know the true conditions of the slave women of the South they would not fail to answer the call to moral action With the help of a northern abolitionist Jacobs published this astounding poignant record under the pseudonym Linda Brent 6 Up From Slavery An Autobiography Booker T Washington writes his story modestly but his greatness shines through He spent his early childhood as a slave on a plantation in the south but after the Emancipation Proclamation was read from the porch steps of the Big House his ambitions to gain an education and make something of himself propelled him through every obstacle to his goal Booker T Washington was a tireless promoter of education for his race and founded a school for blacks in Alabama He made great strides in elevating the sights and prospects of his people 7 Running A Thousand Miles for Freedom This is a great story of a married couple who were slaves and escaped to freedom in a unique way It is a horrifying account of the evil of slavery and the hope of freedom and human rights A compelling read

John Washington's Civil War Crandall Shifflett, 2008-04-01 In 1872 just seven years after his emancipation a thirty four year old former slave named John Washington penned the story of his life calling it Memorys of the Past One hundred and twenty years later in the early 1990s historian Crandall Shifflett stumbled upon Washington s forgotten manuscript at the Library of Congress while researching Civil War Fredericksburg Over the ensuing decade Shifflett sought to learn more

about this Virginia slave and the people and events he so vividly portrays John Washington's Civil War presents this remarkable slave narrative in its entirety together with Shifflett's detailed annotations on the life-changing events Washington records While joining the canon of better known slave narratives by Frederick Douglass Harriet Jacobs and Solomon Northup Washington's account illuminates a far different world The son of a slave woman and an unknown white man Washington never lived outside the seventy-five mile radius that included Richmond and Fredericksburg until his emancipation His narrative spans his experiences as a household slave a laborer in the Fredericksburg tobacco factory and a hotel servant on the eve of the Civil War He also tells of his bold venture across Union lines and his experiences as a slave under Union officers Washington's recollections allow for a singular look at the more personal aspects of slave life Forced attendance at the slaveowner's church much anticipated gatherings of neighboring slaves at harvesttime even a brief episode of courtship among slaves are among the events described in this remarkable narrative On a broader scale Washington was a witness to key moments of the Civil War and his chronicle includes his thoughts about the wider political turmoil surrounding him including his dramatic account of watching the Union Army mass around Fredericksburg as it prepared to invade the town An excellent introduction and expert annotations by Shifflett reconstruct Washington's life through his death in 1918 and provide informative historical background and context to Washington's recollections An unprecedented window into the life of a Virginia bondsman John Washington's Civil War communicates with real urgency what it meant to be a slave during a period of extreme crisis that sounded the notes of freedom for some and the end of a way of life for others

The Oxford Handbook of the African American Slave Narrative John Ernest, 2014 Given the rise of new interdisciplinary and methodological approaches to African American and Black Atlantic studies The Oxford Handbook of the African American Slave Narrative will offer a fresh wide-ranging assessment of this major American literary genre The volume will begin with articles that consider the fundamental concerns of gender sexuality community and the Christian ethos of suffering and redemption that are central to any understanding of slave narratives The chapters that follow will interrogate the various agendas behind the production of both pre and post Emancipation narratives and take up the various interpretive problems they pose Strategic omissions and veiled gestures were often necessary in these life accounts as they revealed disturbing too painful truths far beyond what white audiences were prepared to hear While touching upon the familiar canonical autobiographies of Frederick Douglass and Harriet Jacobs the Handbook will pay more attention to the under-studied narratives of Josiah Henson Sojourner Truth William Grimes Henry Box Brown and other often overlooked accounts In addition to the literary autobiographies of bondage the volume will anatomize the powerful WPA recordings of interviews with former slaves during the late 1930s With essays on the genre's imaginative afterlife its final essays will chart the emergence and development of neoslave narratives most notably in Styron's *The Confessions of Nat Turner* Toni Morrison's *Beloved* and Octavia Butler's provocative science-fiction novel *Kindred* In short the Handbook will provide a long overdue

assessment of the state of the genre and the vital scholarship that continues to grow around it work that is offering some of the most provocative analysis emerging out of the literary studies discipline as a whole

Master Narratives, Identities, and the Stories of Former Slaves Jonathan Clifton, Dorien Van De Mieroop, 2016-03-31 This book is intended for researchers in the field of narrative from post graduate level onwards It analyzes the audio recordings of the narratives of former slaves from the American South which are now publically available on the Library of Congress website Voices from the days of slavery More specifically this book analyses the identity work of these former slaves and considers how these identities are related to master narratives The novelty of this book is that through using such a temporally diverse and relatively large corpus we show how master narratives change according to both the zeitgeist of the here and now of the interview world and the historical period that is related in the there and then of the story world Moreover focusing on the active achievement of master narratives as socially situated co constructed discursive accomplishments we analyze how different inherently unstable and even contradictory versions of master narratives are enacted

Narrative of the Life of Frederick Douglass, an American Slave & Incidents in the Life of a Slave Girl Frederick Douglass, Harriet Jacobs, 2007-12-18 This Modern Library Paperback Classics edition combines the two most important African American slave narratives into one volume Frederick Douglass s *Narrative* first published in 1845 is an enlightening and incendiary text Born into slavery Douglass became the preeminent spokesman for his people during his life his narrative is an unparalleled

account of the dehumanizing effects of slavery and Douglass's own triumph over it. Like Douglass, Harriet Jacobs was born into slavery and in 1861 she published *Incidents in the Life of a Slave Girl*, now recognized as the most comprehensive antebellum slave narrative written by a woman. Jacobs's account broke the silence on the exploitation of African American female slaves and it remains crucial reading. These narratives illuminate and inform each other. This edition includes an incisive Introduction by Kwame Anthony Appiah and extensive annotations. From the Paperback edition **Narrative of The Life of Frederick Douglass, An American Slave** Frederick Douglass, 2023-10-01 The personal account of a fugitive slave's privation and sufferings and his campaigns for Negro emancipation **Narrative of the Life of Frederick Douglass** Frederick Douglass, 2017-02-09 Frederick Douglass was born in slavery as Frederick Augustus Washington Bailey near Easton in Talbot County, Maryland. He was not sure of the exact year of his birth but he knew that it was 1817 or 1818. As a young boy he was sent to Baltimore to be a house servant where he learned to read and write with the assistance of his master's wife. In 1838 he escaped from slavery and went to New York City where he married Anna Murray, a free colored woman whom he had met in Baltimore. Soon thereafter he changed his name to Frederick Douglass. In 1841 he addressed a convention of the Massachusetts Anti Slavery Society in Nantucket and so greatly impressed the group that they immediately employed him as an agent. He was such an impressive orator that numerous persons doubted if he had ever been a slave so he wrote *Narrative Of The Life Of Frederick Douglass*. During the Civil War he assisted in the recruiting of colored men for the 54th and 55th Massachusetts Regiments and consistently argued for the emancipation of slaves. After the war he was active in securing and protecting the rights of the freemen. In his later years at different times he was secretary of the Santo Domingo Commission, marshal and recorder of deeds of the District of Columbia and United States Minister to Haiti. His other autobiographical works are *My Bondage And My Freedom* and *Life And Times Of Frederick Douglass*, published in 1855 and 1881 respectively. He died in 1895 **An American Slave** Frederick Douglass, 2016-11-11 Frederick Douglass wrote this narrative himself. He was born into slavery circa 1818 but escaped in his 20s. In the early 1840s the antislavery movement gained momentum. In 1841 Douglass attended an abolitionist movement and was hired as an abolitionist speaker for the American Anti Slavery Society. He was one of the few black employees that worked for the mostly white society. His speeches and writings greatly contributed to the triumph of the Anti Slavery Society, the passing of the 13th amendment and the ending of slavery in the US. A classical book **Slavery and Class in the American South** William L. Andrews, 2019-01-02 The distinction among slaves is as marked as the classes of society are in any aristocratic community. Some refusing to associate with others whom they deem to be beneath them in point of character, color, condition, or the superior importance of their respective masters. Henry Bibb, fugitive slave, editor and antislavery activist, stated this in his *Narrative of the Life and Adventures of Henry Bibb*, 1849. In William L. Andrews's magisterial study of an entire generation of slave narrators, more than 60 mid-nineteenth-century narratives reveal how work, family, skills, and connections made for

social and economic differences among the enslaved of the South Slave narrators disclosed class based reasons for violence that broke out between impudent gentleman and lady slaves and their resentful mean masters Andrews s far reaching book shows that status and class played key roles in the self and social awareness and in the processes of liberation portrayed in the narratives of the most celebrated fugitives from U S slavery such as Frederick Douglass Harriet Jacobs William Wells Brown and William and Ellen Craft Slavery and Class in the American South explains why social and economic distinctions developed and how they functioned among the enslaved Noting that the majority of the slave narrators came from the higher echelons of the enslaved Andrews also pays close attention to the narratives that have received the least notice from scholars those from the most exploited class the field hands By examining the lives of the most and least acclaimed heroes and heroines of the slave narrative Andrews shows how the dividing edge of social class cut two ways sometimes separating upper and lower strata of slaves to their enslavers advantage but at other times fueling pride aspiration and a sense of just deserts among some of the enslaved that could be satisfied by nothing less than complete freedom The culmination of a career spent studying African American literature this comprehensive study of the antebellum slave narrative offers a ground breaking consideration of a unique genre of American literature
