Sleep Demons An Insomniacs Memoir:

Sleep Demons Bill Hayes, 2018-03-07 A lovely weave of memory and science great characters and compassionate humor from the author of Sweat A History of Exercise Anne Lamott We often think of sleep as mere stasis a pause button we press at the end of each day Yet sleep is full of untold mysteries eluding us when we seek it too fervently throwing us into surreal dream worlds when we don't sometimes even possessing our bodies so that they walk and talk without our conscious volition Delving into the mysteries of his own sleep patterns Bill Hayes marvels I have come to see that sleep itself tells a story An acclaimed journalist and memoirist and partner of the late neurologist Oliver Sacks Hayes has been plaqued by insomnia his entire life The science and mythology of sleep and sleeplessness form the backbone to Hayes s narrative of his personal battles with sleep and how they colored his waking life as he threads stories of fugitive sleep through memories of growing up in the closet coming out to his Irish Catholic family watching his friends fall ill during the early years of the AIDS crisis in San Francisco and finding a lover An erudite blend of science and personal narrative Sleep Demons offers a poignant introduction to the topics for which Hayes has since become famous including art eros city life the history of medical science and queer identity This intimate and beautifully written book brings scientific research alive in a heartfelt and deeply personal narrative The Guardian Memoir history and science come together and apart again in a book that reads very much It Is Beautiful--Then Gone Martin Venezky, 2007-08-30 Available now in a paperback like a dream Out magazine edition It Is Beautiful Then Gone presents the celebrated graphic design work of Martin Venezky This unconventional monograph includes both influential commercial work for the Sundance Film Festival Reebok and Speak and Open magazines among others It also features new graphic work created for the book by this champion of the handmade and the unexpected
