Concern for Church Polity and Discipline Laura Schmidt Roberts,2022-03-30 CONCERN A Pamphlet Series for Questions of Christian Renewal was born in the 1950s of shared concerns over a gap between an Anabaptist vision and contemporary North American Mennonite reality The initial group views the increasingly hierarchical denominational structure the emergence of centralized professionalized pastoral ministry and the resultant changes in polity and practice as fundamentally incompatible with a Believers Church ecclesiology Essays here present that critique and discussion of the reconfiguration of pastoral and communal authority as well as the assertion that reclamation of a disciplined priesthood of all

believers is the path of Christian renewal Today the question of what institutional forms best structure the leadership authority and shared life of congregations persists marked by particular concern to attend to the exercise of power within actual communities of faith *Catalog of Copyright Entries.
