Washington Post As head of the Catholic Church from 1978 until his death in 2005 John Paul II was one of the world's most transformational figures With unprecedented cooperation from the Pope as well as the people who knew and worked with him throughout his life George Weigel offers a groundbreaking portrait of him as a man a thinker and a leader whose religious convictions defined a new approach to world politics and changed the course of history The Pope played a crucial yet underexplored role in some of the most momentous events of his time including the collapse of European communism the quest for peace in the Middle East and the democratic transformation of Latin America With an updated preface this edition of *Witness to Hope* explains how this man from a far country did all of that and much more and what both his accomplishments and the unfinished business of his pontificate mean for the future of the Church and the world *The Millenium of Scripture, Or the Second Advent ... In a Letter to a Friend. By Omicron* pseud OMICRON,1842 *Preparing for Revival* Dr. Brian J. Bailey,2015-09-18 Revivals reveal both the power of God and the frailties of man Past revivals repeatedly show us that we must become prepared to not only enter in to the mighty power of revival but also to keep it flowing and to keep it pure Dr Bailey shows us that by building strong Biblical and spiritual foundations in our lives families and churches we can become ready for the great revival that will soon come to all nations *The Entire Endtime Sequence* Robert L. Carlton,2012-08-03 In recent times many people have come to realize that this world is approaching its end Most believe that GOD is in control of how it will end and they are right Not only is GOD in control He has a Master Endtime Plan for this earth and its peoples Moreover in His Holy Word the Bible GOD has described His plan He has described it very clearly and in great detail This book describes the entire Endtime Scenario making it so simple anyone can understand it It reviews the scriptures that describe each major Endtime happening and other scriptures that explicitly define the chronological sequence for those happenings It identifies several calendar timelines within the scriptures that measure the precise times between various Endtime happenings To give confidence in its conclusions it identifies four separate sets of Scriptures that clearly define the sequence for the events that will lead to CHRIST'S return and the Christian Rapture Ressurrection Everyone even those who are not familiar with either the Bible or the Christian theology should easily understand this book They will understand the entire Endtime Scenario that JESUS CHRIST foretold the major happenings that will take place the sequence in which they will happen and the specific scriptures that describe all these things Moreover they will understand how all of these things relate to GOD'S Covenants and His labors of the past 6000 years They will see that all of the Endtime happenings are just the grand finale of those labors Most importantly each reader will not only allow what is going to happen in the Endtimes he or she will know how they can control their own eternal destiny *The Messiah and His Kingdom* Ernest C. Atchley,2011-08 A look at Israel's history can tell us just how wicked a nation can get when it forsakes the Lord If our nation hasn't gotten there yet it's probably not far from it The longer mankind exists the farther he strays from God The message for every generation is repent Expositions of the Book of Revelation William Robinson (Baptist Minister.),1875
